Gospel Jetstream

Pastor Wayman Mitchell continues busy schedule of ministry

Pastor Wayman Mitchell continued his busy schedule after Summer Conference with the annual area-wide Healing Crusade in Oceanside, California. The Crusade saw good attendance with many saved and healed.

The Crusade was followed by the Las Vegas, New Mexico Bible Conference with Pastor Ray Rubi and a Miracle Healing Crusade with Pastor Rich Cox in Redlands, California.

Pastor Mitchell was then on to Almeria, Spain for an outstanding crusade both in an auditorium and

an outside amphitheatre for Pastor Alberto Maleno. Several pastors from England, Romania and Holland joined in the crusade which saw God move in salvation and healings.

A Men's Area Discipleship Class followed in Redlands, California.

Pastor Mitchell again joined the annual Israel Tour in the Fall, lead by Pastor Rich Cox, which had 111 people from throughout the world Fellowship churches.

A successful Annual Southwest Men's Rally, normally held in Phoenix, was moved to Prescott this year

because of auditorium space issues. The Rally was a success in Prescott's new building addition, with men hearing life-changing preaching from Pastor Mitchell, Pastor Jonathan Heimberg, Pastor Scott Lamb and Pastor Joe Campbell.

A Sermon Workshop in Albuquerque, New Mexico was well attended, arranged by Area Leader Jonathan Heimberg in Gallup, New Mexico.

An area wide Men's Discipleship in McMinnville, Oregon rounded out Pastor Mitchell's schedule.

“For Christ's love compels us...”
2 Corinthians 5:14

The Prescott church is active in outreach and evangelism year round. We actively seek to win souls any way we can, and minister to the needs of the saints and to those in need; the sick, the weak, the lonely, the oppressed, the troubled, and the lost.

We are active in trying new ways to fulfill an old vision. Our outreach schedule is always full. Whether impact teams or bands or our concerts we are constantly moving and constantly sending. We sent impact teams to Las Vegas NV, Glendale AZ, 29 Palms CA, and Cottonwood AZ. We have sent music groups for outreach to many of these same places as well as Tempe and Chandler and Flagstaff and Mesa; and to Nogales,

Sonora, Mexico.

One80, our main concert venue, is always busy as well. Disciples have been trying new things to attract new people to our concerts - from theme nights to a pie eating contest. Every weekend our soul winners go out on Saturday mornings to canvass neighborhoods and to witness and hand out flyers. And during the warmer months our young disciples organize and put on mini healing crusades in promising neighborhoods.

We had our annual Haunted House outreach the first two days of November with good turnout and good results. And we continue to support outreach to the Adobe Mountain Juvenile Detention facility in Phoenix. Our Spanish language brethren have been busy as well with their own concerts and outreaches in Prescott Valley and in Mesa, AZ.

In October we were blessed by the ministry of Evangelist Jerry Fussell. It was a great week of ministry and many were personally touched.

We finally had our first water baptism in our new building and everything worked perfectly. It was an exciting night with 30 people baptized! The Secret Sisters got together for an end of season banquet with more than 90 in attendance.

We have begun our Home Bible Study season that will continue through the winter months. We also had our annual Thanksgiving In-Gathering service where people bring bags and boxes of groceries and stack it on the platform to be distributed to those in need at the end of the service.

It is God's love for us that compels us to do what we do, inspiring and empowering us to love others as they are and to love sinners as they are and follow those who have gone before us in keeping on doing what they first taught us to do.

Please continue to pray for our Fellowship and for America in 2020 - we are desperately in need of revival in our land!

Bakersfield, California
Potter's House
Pastor Raul Rodriguez, Jr.
Corres: Ross Deverts

Greetings from the East side of Bakersfield. The year 2019 has been an amazing one for our church.

We had the privilege of having powerful revivals with Evangelist Mark Salas and Evangelist Mike Gomez which stirred up the dynamic. During our Easter picnic we performed a concert where we preached the Gospel to a park full of people.

Through the hot summer we took our rap groups to the park and saw a great deal of favor and many open people.

As the weather cooled off right into fall, we had our 2nd annual Haunted House. We had more than 250 people come through and 117 salvations. We were so blessed to be able to link hearts with our other Bakersfield churches to put this together. We have seen fruit from the Haunted House, and we are proud to say that the fruit is remaining and the church is growing.

We are excited for what God is doing in Bakersfield and what is to come in 2020!

Cast of Bakersfield Haunted House

Blythe, California
Potter's House
Pastor Josh Neal

Greetings from Blythe, California! God has been so gracious and good to us and we are experiencing a time of great favor in our city.

In the July 2019 conference, God challenged us to send a precious couple named Alex and Karen Rangel into Imperial, California. This couple was extremely faithful and it was hard to see them go because they helped their mother church in so many ways.

When the Rangels were announced, it did something to our congregation and hearts began to burn even more for the harvest field. Men started rising up to fill in the gap that the new pioneer couple was leaving.

The Rangel family set out to their new city in September and since then we have had several new concert preachers rise up. These men want to go into the harvest field and are training to make that happen. They are participating in ongoing sermon writing sessions, daily prayer meetings, and running outreaches in preparation to take their own cities, countries, and/or nations for Jesus.

Our church has regular street preaching, movie outreaches and concerts, and through these we have seen a steady stream of people attending and giving their lives

to Jesus. Some families and individuals have been added to our church through all of these events. We are so thankful for the faithfulness of those who practice and prepare to facilitate and arrange these "divine appointments."

In September, we tried a new type of outreach. Blythe doesn't have many things to do, but we do have the beautiful Colorado River, which is where most people congregate on the weekends for fishing, boating, and all water sports. A disciple in the church got creative and wanted to find a way to take the Gospel to the

Rangel Family launched into Imperial, California

"river rats." He thought of hosting a fishing tournament and giving trophies to the winners. People waited around for their trophies and that is when the real fishing started. They pulled altar calls and many people responded by giving their lives to Jesus. Disciples were fishing for souls while others were fishing for fish.

In October, we worked hard on a play called "Deranged," that would debut on Halloween night. Many were involved in this production and put in a lot of time to make it happen. People not only got saved but some showed up to the following services and we have since seen fruit from that event.

We are so thankful to be a part of a Fellowship that has laid a pattern of winning souls. It is a blessing to see what our brothers and sisters around the world are doing to share the message of Jesus Christ to their communities.

Thank you to our pastors and our mother church in Prescott who have birthed in us a desire to evangelize. We are also thankful for their guidance and encouragement in finding ways to communicate the most compelling message ever given to humanity.

**Carson, California
Potter's House
Pastor Adam Cardoza**

Greetings from Carson, California!

On November 1, The Potter's House Carson was invited to their local CrossFit Gym for an Open Competition by one of two coaches, Justin.

Knowing that we are a church and the bands sing "Jesus Songs" he asked Pastor Adam Cardoza if "Social Suicide" would be willing to play throughout the event. Of course the opportunity was taken.

Carson outreach at local gym

So the Carson and Orange churches joined together to put on a concert. Being surrounded by people with different beliefs did not pose an issue, but rather fueled the group to share the love of Jesus.

As the band played, the rest of

the church was right outside barbecuing and feeding the competitors. This provided another avenue of witnessing. As a sister from the Carson church served a burger she stated "You see this burger will only last for a moment but Jesus is everlasting."

As a result of the event eight beautiful souls gave their lives to Christ, Three of them were the coach, Justin, his wife Gemma and AJ, the owner of the gym.

We rejoiced as two visitors came out from this event the following Sunday service.

**Dwntwn Riverside, California
Potter's House
Pastor Anthony Garcia
Corres:Krystal Rodriguez**

Praise God for what is happening in Downtown Riverside, California!

It's been a very busy and fruitful year for us. Revivals with Evangelists Jorge Rangel, Leonard Wil-

Teen Bible study. These Bible studies are a great opportunity for our teens to understand Gods word, ask questions, fellowship, and connect with our pastor and his wife. We are very excited to see all that will transpire through these studies.

Summer is always a very busy time for us. Kicking off the summer with Tucson's annual Bible Conference was a great reminder that we are doing a great work alongside God.

Immediately after the summer conference we were privileged with the opportunity to host a California Conquest, in preparation for revival with Orlando Salinas. With souls saved on the outreach and a backsliders returning during the revival entitled, "The Process of Change," it was a very timely and encouraging week. Since then we've had a number of new converts lock into the church.

Some more exciting news along the lines of church growth is BA-

Downtown Riverside congregation

liams, Mike Gomez, and Orlando Salinas were a time of refreshing, as many words were given to the church. We've had new ministries starting, backsliders returning, and new converts locking in.

Inspired by our sister churches we've began a new outreach "Potters House Live," in place of one Sunday evening service a month. Our "PHL" event is a variety show of sorts. This new ministry has challenged our saints to step outside themselves to be used by God.

Along with our Potters House Live event we have begun a new

BIES! There have been a handful of newly married couples who have had and are having babies. We are very blessed to have this new wave of children growing up under God's covering. We still have a few years to go, but we are excited for a future Children's Church ministry.

We continue to outreach on a regular basis, sewing good seed, and looking forward to all that God has in store for the church in Downtown Riverside. Please pray for us as we continue to pray for you!

Chandler, Arizona
The Door
Pastor Joe Campbell
Corres: George D. Rose, Sr.

Ecclasiastes says that for all things there's a season, a time to plant and a time to harvest. We in Chandler have been busy doing both for the kingdom of heaven and God is honoring that labor. This has been a fruitful time.

As a leadership church we have

Pastor Joe Campbell makes conference announcements

been actively ministering to the other churches in the Valley of the Sun, helping to expand the vision. We were able to host the valley-wide Pioneer Rally with many churches in attendance. As always, we took aim on discipleship, the harvest field and church planting, and keeping alive the focus of our fellowship.

In July we reached into the Hispanic community with a bilingual revival with Adebarto Castro. This was a fruitful labor as we had many visitors and conversions to Christ.

We also held a revival with Sergei Golebev from Russia. He brought revelation concerning the power of God to change even the most hardened life and to use those discarded by society as powerful ministers of the Gospel.

In October Artie Aragon and the Chinle choir blessed us with their ministry in preaching, testimony and song as we were able to see many natives repent and come to Christ.

The highlight of our year came as our International Bible Conference brought believers from across the

United States and around the world together for a time of shared vision and church planting. With more than 1,300 in attendance in the evening services we set new records for delegates and congregates impacted for the Gospel. We responded to the call for world evangelism by launching eight international works and 10 within the United States with two new countries and one new state being impacted.

The Door Church in Chandler continued in this time of planting and reaping with a revival with Martin Klok, from the Netherlands, who brought

great conviction and instruction through his timely preaching and word of knowledge.

Our annual Trunk-or-Treat event saw more than 1,300 people from the community come to share with

festivities of the season. Our guests not only got candy for their children but a healthy dose of Good News, preaching and testifying of God's changing power. As a result, there were more than 30 total conversions to Christ before the night was over!

We are excited about what God has done and continues to do in our congregation and the Fellowship. Pray for us as we do for you.

Rochester, New York
Potter's House
Pastor Jesse Morales
Corres: Ahnika Stowell

Greetings from East Rochester, New York! We are eager to report that we have been seeing God move in many ways here in Rochester within the past few months.

First, we were very excited to launch our second baby church in the July conference.

In September, Mike and Mary Har-

ris hit the ground running in Gates, New York with regular outreaches and Bible studies. They have experienced returning visitors to their Bible studies weekly, and have seen fruit from their regular outreaches. It is very exciting for our entire church to see a couple so willing to do a work for God.

In October, we put on our fifth annual Haunted House, "Buried Alive," and saw 305 souls saved over the course of three nights. We were very encouraged to see young guys who were saved last year get involved and be excited to be a part of what God is doing in this outreach.

One of our young guys took a big step, and began to preach the altar calls after each run. We were also thrilled to have the youth involved in this outreach, with our youngest actor being only eight years old. It is always powerful when the youth get a vision to do something for Jesus. This outreach is always an encouraging time of year, as many from the church come together to make it happen. We thank God for people wanting to get involved, and using their individual talents to come together to see souls saved.

Since the Haunted House, we have seen one young guy really lock in, and visitors in every service from the outreach. This is encouraging to see, and we are continuing to pray that more souls will continue to lock in through the end of the year.

We would like to express our gratitude to the Fellowship for all of the prayers and to Pastor Mitchell and the Prescott church for their vision and faithfulness to the Lord in the work of evangelism, discipleship, and church planting.

Please pray for us here in Rochester as we continue to take the land!

Fresno, California
Potter's House
Pastor Joe Sanchez
Corres: Mario Chacon

Greetings from Fresno, California. Many wonderful things are happening at our church.

In October we hosted a Halloween Bash at a nearby park. Over 150 peo-

'Zombies' at Fresno Halloween outreach

ple attended and many contacts were made. We even had live creepy zombies who took pictures with attendees.

Keep us in prayer. We're still on the hunt for a building. May we have the favor of God in every decision that we are going to make.

Our Bible studies have begun, and they are off to a great start! We are fortunate to have two locations for Bible study. Our teenagers are demonstrating their knowledge by asking and answering questions. They're excited for these studies.

As always, we would like to take the opportunity to thank our mother church in San Antonio, TX for all their prayers. Please continue to pray for Fresno, California!

Indio, California
Potter's House
Pastor Carlos Olivas
Corres: Ruben Gonzales

Greetings from Indio, California. We are excited about what God is doing here in Indio. We continue to send our play, "OZ, The Broken Kingdom," to cities all over Southern California, seeing great results, as we get reports of several getting saved and locking into the church.

The end of July we sent our youth to bootcamp in Las Vegas, New Mexico, and seeing them return fired up was a great blessing.

In August we had a powerful revival with Torey Williams where we heard timely words and messages in due season.

In September we had our first ever "First Responders Appreciation Dinner." We had the Mayor of Indio, the

Chiefs of Police and Fire departments as well as several local police, firefighters and first responders.

Pastor Richard Cox ministered a powerful message that resonated well with this in attendance.

At the end of the month we baptized six new converts. During the month of October we had our annual "Trunk or Treat" in the parking lot of the Indio Mall with food games and a "Hot wing Challenge." We saw many visitors with 53 answering the altar call for salvation, Praise God!

We are currently experiencing growth here in Indio and believing God for a new building. Please pray for us as we pray for you!

Indio church honors first responders with dinner

Jacksonville, Florida
Victory Chapel
Pastor Ron Meyer
Corres: Rick Kleiber

Greetings from Jacksonville, Florida! What a privilege to be involved in all that God is doing in the Southeast!

In August we loaded up our 50 - passenger bus and headed to Chandler, Arizona for the Annual Bible Conference at our Mother Church, themed "No Looking Back." The messages and reports were awesome, and it is always a blessing to have our hearts and vision reignited and to reconnect with other couples and friends in the faith.

Our couples and men came back inspired and stirred to press forward and prepare their lives to fulfill their desti-

ny. We so thank God for the Mother Church in Chandler Arizona and their continued vision and exampleship.

God has continued to open effectual doors in our local high schools as we have had more opportunities to do concerts and outreaches. One of the local high schools even asked us to be their faith-based organization to represent the school and allowed us to paint a mural of our church name and Fellowship logo in the hallway.

In September we hosted a Back to School Teen Event where we had a Youth Rally themed "Another Level" with a Concert featuring our Rock Band Ransom and our Rap Band Affiliated and more than 10 teenagers committed their lives to Christ. We are continuing to believe God for revival in our schools and youth in the Southeast.

Pastor Meyer continues to invest in our pioneer works and we have sent several teams to various churches including Sanford,

DeLand, Buford, etc. Most recently we sent a team to the work in Waycross, Georgia and saw 9 folks saved, and many visitors in service the next morning.

In October we took our Halloween Event outdoors as we hosted a Family Harvest Fest which included five stages with themes such as Thriller, Little Mermaid, Greatest Showman, Pirates of the Caribbean, and Star Wars. There were also bounce houses, a hay ride, pony rides, games, and more. We had three showings and a total of 3,600 visitors and we were able to meet many families in our community. We received great feedback and the event was even on the news. God is so faithful as after doing the event on a Saturday night we had 26 visitors the next day at our Sunday Morning service.

We are continuing to work to build relationships with families and cou-

ples that attended the event.

In November we hosted our 3rd annual Harvester's Homecoming themed "True to the Call." It was great to have Pastors in the Southeast, their families and their congregations come back and preach and share a glimpse of what God is doing in their respective cities.

The Friday night of the Harvesters we hosted a dinner for the Pastors and their wives and had about 25 couples in attendance. Pastor Campbell from our mother church in Chandler, Arizona and Pastor Rosario from the Kileen, Texas church were our guest speakers and brought very timely messages that supernaturally inspired, encouraged and challenged folks to stay "True to the Call."

Please continue to pray for Jacksonville and the surrounding churches as we continue to believe God for lasting fruit!

Las Vegas, New Mexico
Las Vegas Christian Center
Pastor Ray Rubi
Corres: George H. Cruz

God has been moving in Las Vegas, New Mexico. Souls are being saved, baptized, filled with the Holy Ghost, and locking in to our congregation. We recently baptized several converts.

In August we had a powerful revival with Orlando Salinas from McAllen, Texas. He gave testimony about how God broke the curses of incarceration, addiction, rejection, and all manner of bondages from his life, wife, and family. Several visitors came in who were able to relate to the issues that Evangelist Salinas spoke about.

God also opened a door for him to speak into the lives of men and women in our detention center. One young man is still attending church from that visit. Our congregation was stirred up

with vision and hope for their families that are bound in the chains of sin and addiction, - that Jesus sets the captive free.

In September we hosted our 2019 International Bible Conference, where we planted a new international work into Quito, Ecuador. We also sent one of our couples into Belmopan Belize. Nationally, we planted churches into Montrose, Colorado and Price, Utah.

Our guest speakers this year were Pastors Robert Correa from Houston Texas and Pastor Wayman Mitchell. During our conference, couples were challenged to fulfill their calling; many responded to the altar call with a refreshed vision and commitment to obey God. God has been faithful to use our small congregation in our small city to touch the world. We have eight international works and 22 local works. Glory to God!

In October we had a family revival with Pastor Frank King from Tucson, Arizona. Families were re-

freshed as Pastor King preached about marriage and child rearing. Parents were moved powerfully as he spoke about raising teenagers in this Godless, techie generation.

Pastor King also did a powerful dramatization about the life of Joseph, son of Jacob. Several decisions were made during this revival that gave us hope, in this day and age that we live in, for unsaved families and for the destiny we have in Jesus.

In October we hosted a family carnival at our college campus. We had more than 300 people in attendance. Some of our musicians performed and testimonies were given. Several people prayed a prayer of salvation.

In November we had a timely revival with Evangelist Mark Benavidez who preached about the end times. He encouraged the people of God to press in on the unsaved because the days are evil and the time is short. Several specific needed words were given that encouraged individual Christians to be sold out for Jesus and to be used of God. The messages that Evangelist Benavidez preached brought confirmation about the book of Revelation that our pastor is currently doing a Sunday School on.

We are currently outreaching our

Halloween Outreach at Jacksonville, Florida

Illustration during Frank King revival in Las Vegas, NM

flea market with outdoor preaching, testimonies, and good old Gospel songs. We are also doing bi-weekly concerts at New Mexico Highlands University.

Los Lunas, New Mexico
Potter's House
Pastor Leo Wagener

Jesus Christ has risen from the dead! Hello from Los Lunas, New Mexico. God is really helping us, He is doing great things in our church and in hearts and lives.

The church has stood strong through some trials. We lost our

Outreach team in Los Lunas, NM

Pastor, Sam Griego, to cancer in September 2018. Then, July of 2019, we lost Pastor Lee Wilson who was the pastor of our Mother church. The Saturday morning we lost Pastor Wilson we shed some tears, but we continued on to prayer and outreach because that's what he would want us to do. That same day we did a puppet show and saw 11 precious souls saved, glory to God!

We are seeing visitors and people saved in our services. In our Sunday night Holy Ghost services we are seeing many healed. We see God's faithfulness to honor our labors in our One80 scenes to always draw in visitors and save them. Our Harvest Festival on Halloween with a trunk or treat in the parking lot was a great success. We had over 50 visitors and the church witnessed one-on-one with six saved.

We just finished up Revival in November with Pastor Tim Miller from Espanola, New Mexico. Of course, a couple days before the revival we had two ladies from our church that had to go the ER and be hospitalized. God is greater, though, He is on the throne.

The Saturday before the revival we did an outreach and music scene with help from local churches and saw eight saved. Pastor Miller preached solid messages, prayed for the sick, and gave words. He prayed for one lady with back pain, she felt a pop and was healed. He prayed for another lady with swollen thyroid, she also felt a pop and the swelling went down. It was a popping revival!

We thank God for our Fellowship. Thank you Pastor Jeff Day and Maureen for coming in to take over

our Mother Church, thank you Pastor Mitchell, Pastor Greg Mitchell, and Pastor Heimberg for your leadership. Pray for us, as we pray for you!

Mesa, Arizona
Potter's House
Pastor Richard Romero
Corres: Daniel Sherwood

The Church in Mesa, Arizona, Pastored by Richard Romero, has its hands on the plow and is not looking back.

The weather has changed and it has brought us into a season of evangelism. Thank you Mesa Congregation for faithfully sowing and sweating it out for God's Kingdom. There is a spirit of openness and receptiveness on our outreaches and we intend to reap the harvest promised to us by Christ.

Our Saturday concerts in our new building have enlarged our hearts and we appreciate the great opportunity to grow the Kingdom of Christ and minister to a lost city.

We were pleased to have Evangelist Tony Chase in September. His passion and zeal held us at the altar and few wanted it to end. His ministry is a blessing and he left our spirits revived and challenged.

In October we were privileged to bring one of our Fellowship leaders and our pastor, Pastor Joe Campbell from Chandler. He truly has the heart of a pastor and continues to faithfully preach the full counsel of God.

His ministry chipped away at our idols and instructed us to move from deliverance to dominion. This great preacher has left a lasting influence on our lives and we are so grateful for his faithfulness in preaching the Gospel. We owe a debt of gratitude to all the churches in Arizona that have sent us bands and outreach teams, your labor is not in vain. May the Spirit of God richly bless you and keep you and may you have much to be grateful for.

Pray for us as we evangelize, plant churches and make disciples.

Lakewood, Washington
The Door
Pastor Frank Bravo
Corres: Bennett Villagomez

Greetings from the City of Lakewood, Washington. We want to begin by thanking God for His faithfulness through the years and for all who pray for us here, in the Pacific Northwest.

As a congregation, we had been praying and believing God for our own location. For several years, we held church services in the chapel of a funeral home, but we were very limited in what we could do.

Being that the church was not the Funeral Home's priority business, we were sometimes forced to have church or revival services elsewhere.

In October of 2018, we were able to move into a new location, where we can now function as a stable and consistent church, without the worry of visitors joining a funeral instead of a church service.

Not long after moving into our new building, we launched our first couple (Daniel and Veronica Nego) to take over the church in Modesto, California. Since the opening of our new location, God has been adding new converts to our faithful core.

It's amazing to see how the sim-

ple things we have done, as a fellowship, through the years, are still working today in bringing people to salvation. Some people have come to Christ simply because they were welcomed and received, while just peeking in from the neighborhood. Others have come to Christ through street ministry, while others have been reached by hearing the preaching of the simple Gospel.

Our door-to-door outreaches have brought several people who have locked in and are now growing in the things of God.

There is one man in particular, Mr. Charles, who was in a dark point of his life. He had already made his plans to end his life, but instead, he found our church flyer on his door and decided to come to church. Mr. Charles heard the Gospel, responded to the altar call, but only came a few times before losing connection with the church.

Several months later, Mr. Charles is broken and in desperate need of help. He decides to return to church and get his heart right. Now, he is no longer homeless, but is blessed to live with a great family from the church. Mr. Charles has been attending church faithfully and even served in our most recent Harvest Festival.

During the Harvest Festival, we set up activities for the kids, inside our building, gave out candy and had a Magic Show. During this ministry we saw seven souls saved and some are still attending services since then.

We're still focusing and contending as Pastor Greg Mitchell said, "for Miracle Conversions, Miracle Disciples, Miracle Church Planting, and Miracle Money." We are so grateful for the support of Pastor Harold Warner and the Tucson congregation.

We so appreciate our Patriarch, Pastor Wayman Mitchell and the Prescott congregation for their faithful endurance through the years. May God continue to bless everyone praying for our congregation, as we also are praying for yours.

Las Vegas, Nevada The Door Pastor James Wilson

What happens in Vegas...is impacting the earth! God is doing amazing things here in Las Vegas and this city is so wide open for the Gospel!

We are so privileged to be involved in the reaping of a great harvest! With my wife Liz, and my youngest son Tyler, we took over this church in May from Josh and Jess Montoya, who have done a marvelous work here. They've since answered the call to be missionaries. So much has happened in six months, so I'll just give a few highlights.

We were here for two weeks and we had a revival with Evangelist Aaron Saavedra. The timing was perfect and we had lots of visitors, 11 folks saved, people called out, more filled with the Holy Ghost, and God did a powerful lasting work!

From May to September, Las Vegas has about 100 days of 110-plus-degrees F. It's really hot and people do NOT like being out in the heat, so we started going to shopping centers (like Walmart) and putting a few things in our basket, we start carting off through the store and witnessing to people in the aisles, it's been EXTREMELY fruitful!

One guy freaked out and said, "I cannot believe you're witnessing to me, I just prayed this morning for God to show me a sign!" We prayed the sinner's prayer right in the clothing department!

In September we had another revival with Evangelist Steve Zapata and it was a powerful time. We had seven churches come help on the Saturday impact team; we had 70 people outreaching, and at the park that evening we had 13

people saved!

On Sunday morning, we had 40 people in service! During the revival we saw 15 people saved, two filled with the Holy Ghost, 10 people healed and 28 first time visitors!

Here's the most fascinating thing, usually on Sunday mornings we have around 20 to 25 people and in that 20-plus people, we'll have anywhere from seven to nine different nationalities! Who would've thought we could touch the nations from Las Vegas, NV?!

We've had to have a Spanish interpreter for all of our services now, so I've

Evangelist Steve Zapata ministers in Las Vegas, NV

had a faithful brother step up and meet that need. We are looking forward to starting a Spanish service as the numbers increase.

I am so grateful for all the brothers here in the Las Vegas area, we all pitch in, help each other outreach, support revivals, meet for coffee, fellowship, sermonize and encourage each other.

We are especially so very grateful for the Gallup, NM congregation, and Pastor Heimberg for their support, trust, and prayers. We are truly amazed that God would use us and see fit to build a congregation here in Las Vegas. Thank you for your prayers!

Oceanside, California Potter's House Pastor Tim Moynihan

Holy Ghost greetings from Oceanside, California!

The Oceanside Church has enjoyed a wonderful season of growth and revival in the last six months. We are especially blessed to share that our investment

Hundreds saved and healed in Pakistani crusade

in the nation of Pakistan is beginning to bear fruit with doors of opportunity opening in that challenging harvest field.

In June, we partnered with the Malaysian Fellowship to sponsor two Pakistani pastors to the Malaysia International Rally. This was the first Fellowship conference-like setting for Pastors Sarfraz and Umar; a chance to catch our fellowship vision and see the possibilities for their nation as they heard preaching and testimonies from all over Asia.

Pastor Paki Raj arranged for a translator from the Indian Fellowship to assist us. What a miracle to watch Christians from India and Pakistan, two nations in an ongoing religious conflict with one another, not only seated together but breaking bread in Godly fellowship afterwards!

July was a busy month for us as we sent large delegations to both the Yuma Harvesters Homecoming and the Prescott Conference. The saints returned home to jump immediately into a powerful revival with Australian Evangelist Ben Reddy. Many were saved, healed, encouraged and edified as Evangelist Reddy ministered powerfully in the Holy Ghost gifts.

In August we partnered with the Prescott Church for the annual Ocean-side Miracle Healing Crusade. Due to construction near the beach, the city asked us to move the event to the Civic Center Plaza in the middle of the bustling downtown night scene. While it was a much more public event than our beach crusade, Pastor Mitchell knew it would be a problem. "You won't be able

to fit the crowd in here," he predicted. He was right! The plaza was filled to overflowing by the second night.

The crusade saw 59 saved and 27 healed on the platform. Notable platform healings included a woman healed

of a torn rotator cuff and lupus, two deaf ears opened on Saturday and one on Friday, several people with chronic back or other pain; two men healed from motorcycle injuries (one very dramatically), two pastors healed from debilitating conditions (one with all symptoms of leukemia gone, the other with all symptoms of an unspecified nerve condition healed), a hip injury/surgery healed, many cancer patients with evidence of pain were healed of all pain, and dozens of people had their legs grow out as they were healed of various bone and joint issues. We thank Pastor Mitchell, the Prescott Church and the 26 other churches who partnered with us for this year's crusade.

We rounded out the last several months with notable revivals with our Mother Church Pastor, Dan Jones, and Evangelist Bryan McRae. In the midst of all this, we were also partnering with our baby churches in revivals and outreach events in Fallbrook and San Marcos. God is moving in these small towns.

In October, Pastor Moynihan and a disciple, Matt Stowe, traveled to Faisalabad, Pakistan, where Pastor Moynihan preached the three day Pakistan Miracle Crusade. There were crowds of 3000-4000 each night with hundreds healed, saved and set free from demonic power. The crusade was not without opposition. The Muslim Federal authorities cancelled our outdoor permits and forced us to move into a huge, indoor venue on the edge of the city. Then a letter was presented to Pastor Sarfraz banning foreign speakers. Ultimately, a bribe had to be paid to move forward.

It was both awkward and ironic when the two federal officials arrived at the crusade to have their photos taken with the Americans. We intend to solve this problem by registering our fellowship with local authorities, a legal process meant to protect Churches in this 97 percent Islamic nation.

In addition to the crusade there were visits to villages and baby churches, and a one day Pastor's Seminar with 200 Pakistani pastors. Pastor Moynihan presented a message on discipleship and church planting, challenging these pastors to raise up couples to go to villages, teach the Word of God and eventually raise up churches. Matt Stowe delivered a message on the relationship between disciple and pastor.

The Pakistan Project has been a challenging one for our small congregation but we believe we are seeing a door open in that nation. After the crusade and thanks to the vision of Pastor Campbell, the Chandler Church, and Pastor Mel Biango, from Manila, Pastors Umar and Sarfraz attended the Philippine Bible Conference in November. For this, we thank God for a Fellowship that is willing to partner together to share the costs and the victories of world evangelism.

May God richly bless you all and our fellowship in the fruitful days ahead

Pasco, Washington
Potter's House
Pastor Rene Galeas
Corres: Jerry Jackson

Rene and Wendy Galeas were sent to Pasco, Washington in the fall of 2017. In their two years here, God has been moving powerfully in the Potter's House of Pasco and in this city.

In August 2018 we were able to move out of Pastor Galeas' living room and rent a shared space at the Boys and Girls Club. Seven months later, March of 2019, we were able to move out of the Boys and Girls Club and get our own space, which we are already on the verge of outgrowing.

We have several families attending faithfully and have seen God work miracles in the lives of people in this church including a two year old healed of asth-

ma, chains of addiction broken, people being baptized by the Holy Spirit and more. God has great plans for this church and for the city of Pasco!

The testimony of one couple in particular in our church, Christian and Abby Montiel, has been nothing short of a miracle. Christian had backslid from the church and was living in sin when he met Abby, in San Diego, California. Abby had recently fled an abusive relationship and was bound by the chains of depression and anxiety.

In the midst of their relationship growing they were going through a custody battle for Abby's two sons from her abusive relationship. The judge had ruled against them and the boys were sent to Washington State to live with their father. Feeling defeated and weighed down by depression, Abby attempted suicide several times and was hospitalized in mental institutions and was drowning herself in antidepressants to numb herself while Christian turned to marijuana, tobacco and alcohol. Their marriage was falling apart.

Despite living in sin, Christian would often pray, asking God for mercy and guidance. They decided to sell everything and move to Washington for a new start and to be closer to their sons. Despite their efforts, the couple fell deeper into sin and addiction. Christian began using cocaine while Abby struggled to maintain the household and hold of the darkness that surrounded them. It seemed as though things were getting worse and their marriage would result in divorce.

In March 2019, a family member of theirs was opening up a clothing store next door to where The Potter's House of Pasco was also moving in. Christian and Pastor Rene met out front of the store one day and Rene invited him to join for our first service. In that moment Christian felt that God had answered his prayers and God told him, "You want to serve me? Serve me here."

Christian and Abby attended service. Christian recommitted his life to the Lord and Abby was radically saved. Christian smoked weed one time after that day and experienced "the worst drug trip of his life" and never went back to drugs.

Christian and Abby, saved and delivered

God broke their chains of addiction, and depression and mental health issues that had haunted him for years and her for most of her life.

Abby commented recently that she hasn't missed a single church service since, except for when they went to conference. They both now serve God faithfully in ministry. Christian is the song service leader and Abby helps in the nursery and anywhere else she can.

God has also shown the couple favor in court, reopening the case for custody of their boys. Our church is currently praying for continued favor that the judge will grant them custody.

They have truly been redeemed by the Blood of Jesus Christ and are living for the Lord. Christian is soon preaching his first sermon as a disciple as they are ready for the harvest that God has prepared.

Port Lavaca, Texas The Door Pastor Andrew Martinez

Greetings from South Texas where we are having a great year of revival and victory.

We had the privilege of taking the church in Port Lavaca in June of this year from Marcus and Raven McCullough who did a wonderful job laboring and leaving behind a powerful church.

As the church embraced us, we continued scheduled outreaches. Every Tuesday we have seen many saved, as well as backsliders respond at our street preach outreach at a nearby corner.

In July after Prescott conference we had Pastor Mitica Draghici and his wife Lili from Ploiesti, Romania come

and minister. People were touched and words given. After the service we had a Texas dinner with fajitas, rice and beans. The church was encouraged by his ministry and fellowship.

In mid July we began our Friday night block parties. We set up with concerts, food and a movie at different church members' houses. Our first outreach we saw 10 visitors and five saved. Disciples took turns doing alter calls, since then we had a man and his wife locked as well as many seeds sown.

Towards the end of the summer we set up drive in movie nights where we saw many victors. One Sunday, a lady came with her four children. She had an

Baptism in Port Lavaca, Texas

old faded flyer that she had for over a year and a half. Since then she has begun coming faithfully.

In August I challenged the church to do 30-day fast. The congregation took turns praying and fasting every day for 30 days. At the end we saw many souls locked in, many healings and one brother testified that he got a \$4 an hour raise. In September we had a church picnic and water baptism at the local beach where we saw two baptized.

This year we were able to take 11 people with us to the South Texas Bible Conference. They came back refreshed and on fire. We had the honor of having Pastor Marc Rodriguez and his wife come the following Sunday and minister. The church was encouraged and strengthened by his ministry.

God is helping us and we're seeing an increase in souls, finances and discipleship as we get closer to the end of the year.

I want thank Pastor Rubi, Pastor Wilis Gordon, sister Liz and our mother

church from southside San Antonio for their prayers and support. I want to also thank all the pastors who have labored before me. Please pray for us in the Coastal bend area as we are seeing revival and taking the world for Jesus.

**Sierra Vista, Arizona
Christian Fellowship
Pastor Rod Olmstead
Corres: Curtis Berry**

Greetings from Sierra Vista, Arizona, where Jesus Christ is still changing lives.

God has been moving wonderfully in our congregation this year. With backsliders returning and serving Jesus and new converts locking in, we are seeing a fresh wave of growth.

In June we had revival with evangelist Fred Gonzales. Throughout the week we received timely preaching and encouragement from God's word. Several people received words of prophecy verifying God's work in their lives at that moment.

The summer season brought a fresh fire and vision into the disciples. With men leading up block parties and healing crusades, we saw many lives touched with the Gospel of Jesus Christ.

In September we had a Family Fun

Holy Ghost inspired preaching and encouraged the church.

This Halloween we had the opportunity to join in with Sierra Vista's city wide Fall Festival. Our church dressed up as pirates (treasure chest, pirate ship and all) and pointed people toward the true treasure of Jesus Christ. This event saw thousands of people come through and we were able to plant many seeds for the Gospel and impact many lives. Praise God for the opportunity to reach the lost.

God bless. Pray for us as we continue to pray for you.

**South Phoenix, Arizona
Christian Fellowship
Pastor Luis Del Real
Corres: Susana Monarrez**

Hello! Brothers and Sisters of our Fellowship receive a cordial greetings from our church.

In August we had a revival with the Pastor Mark Salas, and it was a great blessing. There were words of faith, that we must keep on carrying the word of Salvation to everyone who is willing to receive it. We had a lot visitors and some of them received their Savior, and there were some people who received miracles of healing and others were given words of God.

We also continued to go out to evangelize the streets to reach all the souls that are out there thinking that their problems have no solutions and no hope.

On October 27 we had a very special celebration,

our church celebrated 30 years in the ministry, without interruption, with our Pastor Luis Del Real and his wife Rosa.

They have a great ministry. Pastor is a man of God, faithful, and always willing to take the Great Commission to

bring the word of Salvation to everyone who wishes to hear.

Continue to pray for us and we pray for you, and may our Fellowship continue to expand throughout the world the word of God and Salvation.

Pastor Luis and Rosa Del Real celebrate 30 years of ministry with South Phoenix congregation.

**Spring Lake, North Carolina
Potter's House
Pastor Ed Tijero
Corres:**

Praise God for what he is doing in the city of Spring Lake, North Carolina!

Our congregation, under the direction of Pastor Ed Tijero, has been faithful to labor in the streets and in our concert ministry. October has been a fruitful month and we have seen prayers answered as God has saved family members and added souls to the church.

We began the month in revival with Evangelist Frankie Chi. One woman in our congregation had recently been diagnosed with Multiple Sclerosis. She answered the call for prayer with the assistance of a cane. God began to heal her as the congregation prayed, and that day she walked without the use of her cane. In the weeks since, she has gained more control over her movement and she is faithful to testify of the miracle, giving all the glory to God.

Sierra Vista outreaches in Sierra Vista Fall Festival

Day outreach with games, clowns and a puppet show. Many families came and heard the gospel with nine souls giving their lives to Jesus. Following this outreach we had Pastor Garrett King minister in our Sunday services. He brought

Later in the month, we hosted our annual "Fall Back in Love" event, with the goal of strengthening marriages in our congregation and in our community. The evening was a success, as 28 couples were treated to a catered dinner, drama, and preaching that ministered on God's plan for marriage. The church was encouraged and we saw unsaved spouses in at-

Tucson, Arizona
The Door
Pastor Harold Warner
Corres: Steve Pinnick

Greetings from The Door Christian Fellowship in Tucson. We have seen great things happening recently in our congregation.

We just finished a Star Wars theme play entitled "Story in The Stars." Out of the four nights we presented this play, we saw more than 60 people pray to receive Jesus. There was a wonderful anointing on this effort by many in our congregation, and many at the altar were weeping as God's conviction drew them to salvation.

Another blessing of our recent play is the rising up of the younger generation in our church. Through the play, Music Nights, Street Outreaches and many other ministries in the church, we are seeing this generation take the baton of faith and are running well with it.

One of the ways we could describe what is happening in our church

recently is it seems as though "God is drawing near to us." We are seeing an increase in visitors and conversions on a regular basis, and a great feeling of spiritual momentum. In a short period of time recently, we had four going away services for couples announced in our Bible Conference in June. There was a noticeable presence of God as they preached and when we laid hands in them to release them into their cities, these were true "Holy Moments."

We are now entering the Holiday Season, and our highlight during this time is Pastor Warner's Christmas Reading. It is usually a reading combined with acting and special music, and every year we get visitors for this event, as well as a fresh appreciation of what Jesus has done for us.

As time goes by, we are constantly reminded of the blessing we share as co-laborers with all of you in the Gospel of Jesus Christ. We are hearing reports of breakthroughs in other congregations throughout our Fellowship, and there is sense that we are on the verge of revival in our nation and abroad.

We are still in the process of preparing for our planned new Sanctuary and Conference Center, we ask for your prayers as we contend for this. We are still very thankful for the investment of the Prescott Church into Tucson 46 years ago, and like Paul said in Phil. 4:17, "we are the fruit that is abounding to your account."

Spring Lake Fall Fest was fruitful outreach

tendance as well as family members and coworkers - all seeking God's wisdom for their marriages.

We closed the month with our "Fall Fest Trunk or Treat" where we saw more than 30 visitors from the surrounding community come out to the church. Many families heard the message of the Gospel through the witness of faithful saints and trunks that boldly displayed God's word. Children were treated to hayrides and cotton candy while their parents were confronted with the message of salvation. Through that outreach, we saw two new families added to the church.

God is truly bringing in a harvest in Spring Lake!

Tucson Star Wars play saw more than 60 saved in four nights

West Valley City, Utah
Potter's House
Pastor Isaiah Medina
Corres: Sundeep Sankranthi

Greetings from West Valley City, Utah.

This has been a year of revival indeed. There is a tremendous outpouring of the Holy Spirit. It started with the fall 2019 revival service by Evangelist Mark Salas. Four new converts instantly received the Holy Spirit baptism and started speaking in tongues, many visitors responded to altar calls, people received instant healing from pains, and several words were given.

Outreaches in West Valley are fruitful, drawing close to 15 visitors every service. Church grew from the 60s to the 90s. Friday night Bible Studies on the Overcoming Life series are fruitful, drawing visitors to all four Bible study groups spread across the city.

We praise God for two new baby churches within the state. Tooele, Utah launched in Summer 2018 Bible Conference and Provo, Utah in 2019. Both have new buildings drawing close to 25 visitors every service. A recent impact team to Provo had a great harvest. A blind girl received sight and started to count fingers!

The impact team to Provo with featuring puppet show had 40 visitors and 28 people gave their lives to Jesus. Live plays and puppet shows are drawing people.

One outreach in the neighborhood drew a crowd of 86 visitors and 13 gave their lives to Jesus. New visitors are coming in every service and getting radically converted and accepting Jesus as their savior.

Pastor Isaiah Medina has gone full time from November, which is a great blessing for the church and ministry. We want to thank Pastor Mitchell, Pastor Greg Mitchell and also Pastor Martinez and Sister Cecy from the Ogden Church.

Revival in West Valley City, Utah

Carlsbad, New Mexico
Potter's House
Pastor Manuel Cano

Hello from Carlsbad, New Mexico. We would like to give God all the glory for what He

Carlsbad, New Mexico congregation

is accomplishing in us and through us in New Mexico.

What an exciting year we have had as God is building a work here. In January, after a third year in a row of asking the owner of our building to give us the building and for a third year in a row, he rejecting us, we took the matter to God.

I challenged the congregation, if the owner would not give us the building then God would give us miracle finances so we could pay it off. After four months of contending and challenging the church, we purchased our building! This has launched us into a new dimension in our church as the vision of discipleship and launching churches is very tangible.

Our outreaches have been very fruitful as we are seeing many people getting saved, delivered, and healed by the Blood of Jesus. We have favor with teenagers getting saved as we have approximately 15 teenagers that are locked in and serving God.

There is a tremendous spirit of expectation in our church of all that God can and wants to do through our congregation. Continue to pray for us as we are pushing through into 2020 with force of momentum from heaven.

Worldwide Ministry —

Perth, West Australia
Potter's House
Pastor Tom Payne
Corres: Joseph Dines

We bring a victory report from the Beechboro church in Perth, Western Australia.

This June we had a double celebration during one of our midweek services. This special service marked both the

Beechboro church celebrates Pastor Tom and Janice Payne's 10th year in Perth, and Tom's 60th birthday!

10th year anniversary of Pastor Tom and Janice being with us in Australia as well as our Pastor celebrating his 60th birthday! Numbers of the interstate pastors flew in and joined us for a Holy Ghost service, testimonies of appreciation to the Payne's, music and fellowship.

We are truly blessed to have them as our spiritual parents in the Perth congregation and the nation of Australia.

The Perth One80 concert ministry grows from strength to strength by the grace of God and now has some real momentum. We now regularly see 15-20 visitors and more than five people saved a night. The Saturday midday outreach and prayer meeting have seen a level of faithfulness from the saints to participate and for God to attend resulting in dominion in the local area. Gods

favour has been poured out such that we saw 17 people saved on a recent Saturday midday outreach.

We were recently blessed to have Pastor Steve Gabriel from the UK come and perform in our One80 concert ministry and also preach a series of revival meetings. From the first song in the concert, we knew we were in for an amazing week. The concert was a reggae/soul night that drew in 30 plus visitors and seven saved.

The revival saw words of knowledge being given out to go along with the word of God being preached and souls being saved. There was a real change among some of the disciples in the church, a desire to get serious with God, to quit fooling around and to put His will first.

Pastor Glenn Plummer recently lead a 12-person international impact team to Dili, East Timor for Pastor Chris and

stirred to answer the call of discipleship and ministry.

Our church services are consistently attended by visitors who in turn get saved, become new converts, lock in and become disciples.

We thank God for the leadership and example of our mother church and Pastor Greg and Pastor Wayman Mitchell.

El Alto, Bolivia
La Casa del Alfarero
Pastor William Ortiz

The El Alto, Bolivia church had their Haunted House in October and saw 655 people go through the outreach event and 533 people saved! We've had a couple of families come from that outreach, and many other visitors.

Bolivia Haunted House outreach sees 533 people saved!

Skye Plummer who pastor the church there. Throughout the week we saw more than 550 people were saved in the seven days the team was there.

Members of the team were "put on the spot" to pray for the sick at a concert held outside the Dili church building. For many, this was the first time they had prayed for the sick and God was faithful to heal everyone that was prayed for. It was an encouraging time for the team to be used by God for fruitfulness and many on the team were

Bonteheuwel, Cape Town
South Africa
Potter's House
Pastor Harold Visser

God is still on the throne in Bonteheuwel!

After the September Bible Conference in Johannesburg we had a revival with Pastor Cheslyn Solomons from Wesbank, where we saw many visitors

The Bonteheuwel, South Africa congregation

come in and backsliders getting right with God. There was one young woman who got powerfully delivered during the service and is still serving God with us today, being filled with the Holy Ghost and speaking in tongues. Glory to God!

In the last couple of months the South Africa Military have been patrolling in the streets due to gang violence in the Cape Flats areas, and together with the grace of God there is a drastic decrease in the number of murders in our area. The result of this is that more people are coming out to the evening services with our attendance increasing by almost 75 percent.

We are truly grateful for what God is doing in our services with more visitors coming in than ever before.

What we see is a fresh wave of increase that God is bringing in and we are believing God for the fruit that will remain! We started a Bible study in one of the areas with one of the ladies bringing her husband who is a Muslim! He stayed the entire night and enjoyed the fellowship; we are trusting God for his salvation.

God is truly doing wonderful things amongst the precious people of Bonteheuwel and we can only be grateful to be part of it.

Cebu, Philippines
Victory Chapel
Pastor Charlie Carias
Corres: Christelle Aligato

Malipayong pagbati from Cebu, Philippines.

August held Central Visayas Bible Conference themed "Enlarging Your Vision." With us are Pastor Dave Stephenson and Pastor Gary Marsh. Powerful sermons were imparted to believers. Eight couples were announced for the mission field.

In September we held revival service with Pastor Frank Buenaventura. Believers were blessed for a three-day preaching. Men also conducted Metro Cebu Men's Discipleship with attendance reaching 170. There were 47 visitors who received Christ. We also held a Jesus People Wedding - two people united as one both with clean testimonies. Attendance reached 250 with 12 visitors who received Christ.

We also conducted Night Live concert on the school campus. Hundreds of teen students gathered and were blessed by different life changing testimonies. They gladly received Christ in their hearts at the end of the event.

We also conducted hospital ministries every Monday. Patients opened their hearts to the Gospel, received salvation and were healed after praying.

Morning outreaches, City Night live concerts, hospital ministries, jail ministries, follow-ups, and home Bible studies are growing. New converts are now committed to daily prayers, church ministries and soul winning.

We thank Pastor Wayman, Greg Mitchel and Prescott congregation for their support in prayer and investments to our fellowships.

Testimony Peter and Mary Ann Mahinay

My name is Peter John Mahinay, 22 years, with my lovely wife, Mary Ann Guerrero-Mahinay.

Peter and Mary Ann Mahinay married in Jesus People wedding

nay.

We were both believers and workers in church. We also worked in the same office. I prayed to God for a wife and she was the answer. In the process, I asked my parents and my pastor to enter into a relationship and they agreed. I asked her and in the process of time through prayers and fasting she said yes.

We were both committed in morning prayers and church ministries. I live far from the church so I woke up at 4 a.m. to travel for our daily morning prayer at church. After an hour of prayer, we traveled together for work and back to church in the evening for ministries. That was our routine for six months.

In our relationship, we maintained our clean testimonies. We never held hands, hugged, or kissed. A lot of times it was just the two of us inside the office room, but we both controlled our flesh to stay clean in the sight of God. When we arrived in the office, we always prayed to help us control our flesh. God has helped us along the way.

As the wedding approached, we

still didn't have enough finances to sustain the needs. We fasted and prayed. God did a wonderful miracle. He provided beyond what we expected! Our relatives and managers gave us financial gifts that we never asked from them. They just gave it to us personally.

So the wedding was well provided for and we thanked God for everything. We got married on September 8, 2019. That was our first kiss and holding of hands at the altar. We feel very happy and blessed because God helped us to stay pure until the wedding. We are now happily married and continuing in serving the Lord.

Chennai, India
Potter's House
Pastor Shantha Kumar
Corres: Joshua

Greetings from the Potter's House Taramani, Chennai. We are excited to share what GOD is doing in our City!

This year has been a fruitful year of

Revival in Taramani, Chennai, India

great testimonies of victory that God has won for us. We've had an outpouring of revival in our church throughout these last several months! God moving powerfully in our outreaches, music scenes and services being fruitful.

This year we have been experiencing the tremendous move of GOD in our city and in our church. One of the highlight of this year, we sent out a Pioneer work for Christ, as we launched Pastor Stephen and his wife Sindhu in Medavakkam Chennai. God supernaturally helped as the saints of God

in church raised up to the occasion to meet the financial need of the new work.

We started this year in February with a revival meeting with Pastor David Marks from Canada who preached an awesome revival meeting. We saw many visitors throughout the week with 15 souls saved. Fruits still remain from his labor. He also conducted a session on Bible memorization which really helped all of the church members.

In the month of May, we had another revival with Pastor Scott Sharrock from Australia. God brought timely messages to the congregation and the church was encouraged. We saw first time visitors getting saved and words of knowledge were given to a number of people in our congregation.

Leadership Pastor Packia Raj preached a revival in August and we had a wonderful time of Holy Ghost ministry with 26 decisions for Christ, people getting healed

and powerful messages to the congregation. God's name got exalted and glorified.

We were entrusted with the responsibility to take over the Taramani church in May and to release Pastor and Missionary David and his wife Linda Ehlers to start a new work for God in Kolkata, India. From that day onwards God has been helping us and providing everything needed for the Work of God to move forward in the right direction.

We would like to thank the faithful people of God and our Pastor David

Ehlers for his leadership and guidance.

We are grateful to our mother Church in Beechboro, Australia and Pastor Tom Payne for their support, encouragement and investment into our lives and as well as Pastor Wayman Mitchell and Greg Mitchell for their vision for the nations of the world.

Revival in Cuenca, Ecuador

Cuenca, Ecuador
Potter's House
Pastor Ricardo Salomon

Pastor Ricardo Salomon of the Church of Cuenca, Ecuador greets you.

Our church has been blessed by God, we have been gaining strength, disciples are rising up with the vision of our fellowship and taking challenges, we are having good response in each strategy of evangelism.

In September we performed a Mexican concert where we had an attendance of 85 people, visitors, people saved and filled with the Holy Spirit.

In the same month we had Pastor Adam Cardoza of Los Angeles, California preach a revival.

We ended with 119 people and a powerful time of God. We also had a discipleship for men the next day, in which we had 38 men attending.

Please keep praying For the Church of Cuenca, Ecuador and for Pastor Ricardo Salomon and my family, we are praying for you.

Davao City, Philippines
Victory Chapel
Pastor Frank Buenaventura
Corres: Emma Soto

Greetings from Davao City, Philippines.

We were privileged to have two revivals in a row this past August with Pastor John Robinson and Pastor Gary

18 new works launched in Davao Conference

Marsh. We had a great time of encouragement to our young people and a time of refreshing to the old converts.

During these revivals, we prayed for the sick and saw people healed and souls saved every night. Two sisters shared their testimonies of notable healings from tuberculosis and from lower back pain due to high-risk pregnancy. We thank God for their time and impartation.

In September, our youth and singles ministry went an extra mile as our young men hit the streets to preach on Monday evenings aside from the daily morning outreaches.

We were blessed seeing 17 people getting water baptized. Most were our new graduates from children's Sunday school, taking further steps in their faith and now actively serving God in different ministries.

October was packed with activities. An outdoor couples' fellowship was held on Oct. 5 with 137 people. This made a closer bond among our couples and strengthened their commitment to the church. A week later, we witnessed a Jesus People Wedding with Jephthe Miculob and Shanez Balagon, our second wedding for this year.

This quarter's highlight was our bi-annual Davao Bible Conference last Oct. 28-Nov. 1 with the theme, "Ex-

ceeding Our Limitation." We had Pastor Alberto Desepida from Manila and Pastor Genaro Bugtai from Tacloban City as our guest speakers. There were prophecies, revelations and an outpouring of the Spirit. Great sermons on contending for sexual purity, setting priorities, warnings and commitment were boldly preached. Our hearts were convicted, stirred and challenged to do more for the expansion of God's kingdom as we are in the end times.

The conference went well despite the two 6.5 magnitude earthquakes that we experienced during our Tuesday and Thursday morning sessions. With

the 1,000 delegates coming from all corners of the island of Mindanao, everyone remained calm and the conference was in order though many strong aftershocks were felt during the week. God kept us safe and His work continued that on the final night, a record breaking 18 pioneering works and eight changes (including Vietnam to a local pastor) were announced. All glory to God!

What we had was a natural earthquake but all of us go through spiritual earthquakes. Sometimes, we need these shakings to warn us of our complacency; that to pursue and even exceed our limitations in order to reach the destiny that God has for us. We are looking ahead for more of God's presence and fruitfulness in 2020. Be blessed!

Dhaka, Bangladesh
Potter's House
Pastor Peter Wakefield

Ei j! God is helping us in Dhaka, Bangladesh.

We came into Dhaka 1 year ago in October 2018. Our building project was done in the Spring of 2019. We see God moving in miraculous ways. Before the building project was com-

plete, we held services in our home, which led to Foundation Classes being taught to several young men by me every morning during the week at my kitchen table.

I now am teaching two Foundations Classes three days a week with several men coming to each. What a tremendous opportunity.

There is so much religious confusion in this nation. It appears even many of the "Christians" are confused with their doctrine because of lack of leadership and preaching and basic understanding of the need for a church.

Last week Sunday we had a stream of Muslim students come into the church. Someone had invited them. We ended up with 47 people in our service. What an opportunity to preach salvation to a generation that does not have the privilege of hearing it any other way.

Curiosity has brought many to our services, and many to my office daily. Recently a visitor in the office at the church shared this dream he had with me. He said, "Sir, I had a friend refer me to come and see you to share this dream with you. I dreamed there was a cross and it dripped blood. In fact, in my dream I was looking up to see where the dripping on my face was coming from and saw the cross and realized it was blood, not water, like it felt on my face. There was a man on the cross, and he told me 'save your people by telling them about my blood.'" He said, "I went to the Imam to ask what this dream could possibly mean. He told me it was nonsense or the devil. Don't speak of it. I went to the Hindus and asked. They were just strange, I do not want to go back there. When I shared this dream with my friend, he told me to come and see you, the pastor at The Door church, he is friendly, he will help you."

This young man was so open to the Gospel and I was able to witness to him and lead him to Christ. We are absolutely stunned at how God is moving in this nation. Bangladesh is the size of the state of Ohio with a population of 161 million people. There are people everywhere. Of course, I understand the element of religious people that do not care for the Gospel of Jesus being

Service in Dhaka, Bangladesh

shared here, but there are so many that are open and want to know. I am asked daily about the Gospel and why I follow Jesus.

This nation is impoverished in so many ways it boggles the mind. In turn, this nation is so curious about how Jesus can change a life amongst them. Healings abound. Salvations happen in most services. We have enjoyed baptizing many as well. The last evening service we had four saved and three filled with the Holy Ghost and speaking in tongues. These people even join me in the mornings for morning prayer.

Pray with us that the door remains open for the Gospel as we build a firm foundation of a Fellowship church in a Muslim nation. Many of these young men speak constantly of how they want to preach the Gospel. They hunger for it. I am impressed as they talk of how they look forward to pioneering a church in their nation one day. One asked recently if we could ever reach Saudia Arabia for Christ.

We look forward to church planting as I strive to disciple men through Christ in this corner of the earth.

Dili, East Timor Potter's House Pastor Chris Plummer

Hello from Dili, East Timor! We are living in the book of Acts, it is very exciting to serve God here!

A great highlight for the church was in October when Pastor Glenn Plummer (who is assisting Pastor Tom Payne in Perth, Australia) brought an impact team of 13 to Dili, East Timor.

They tore it up with three a m a z i n g concerts, a crusade style healing meeting, a men's discipleship, six revival meetings, two impromptu street meet-

ings, a church/ follow up picnic, 562 souls saved, 24 people baptized in the Holy Ghost, seven people baptized in water, dozens of people healed, one prophecy, words of knowledge given, and so many idols left at the altar that we made time after the final service to light a fire and burn them all!

Our disciples continue to grow into capable leaders as they organize outreaches, preach effective altar calls and lead many to Christ, then pray for the sick. We are reproducing reproducers.

Our church is ordinary men and women who are doing extraordinary things for Jesus Christ! We have seen

Glenn Plummer preaches altar call in Dili, East Timor

1,286 souls saved in the last 3 months!

If I could ask for one prayer request: many people suffer persecution from family when they give their lives to Christ. One lady this week asked for prayer for her eye as a thorn pierced her eye while she was being beaten by a family member. God healed her!

Another lady recently asked for prayer for protection from her uncle and brother who wanted to beat her. As she left church that morning, they were waiting for her outside. They made her get in a taxi with them and drove away. Before they reached her home, her un-

cle gave her some money and said "We were going to beat you, but God won't let us!"

God is on the throne, but there are many people that need prayer cover. Thank you!

Suva, Fiji Islands Grantham Potter's House Pastor T.J. Motokula Corres: Wendell Archibald Etuate Rasovatu

Greetings from Grantham Potters House Church. This is the first time for our church to submit a report of the wonderful things that our All Mighty God is doing in our church.

Six years ago, Pastor T.J and his wife Sister Sophie Motokula heard God's calling for their lives, stepped out in faith along with their four beautiful children (Diego, Lenelle, Scarlett, Tahlia) and were planted out of the Suva Potters House Church – Fiji Islands pastored by Pastor John and Sister Coral Perry to the then Flagstaff Potters House Church (now known as the Grantham Potters House Church).

The Grantham Potters House Church began from h u m b l e beginnings of holding services in a staff room of a primary school in the suburb of Flagstaff,

with literally just Pastor T.J and his family for the first few church services. Pastor T.J and his family remained faithful in labouring for God in the church, although they had to unpack and pack up equipment and gears after every service.

The church continued to hold services in the staff room of Vatuwaqa Primary School faithfully and trusted God without doubt. Their faithfulness and obedience paid off as God began to move supernaturally and save souls into the church from nearby communities including a university.

Grantham, Suva, Fiji Islands congregation

Our Church with Pastor T.J, the faithful saints and support from our mother church began to pray for a church building. God moved miraculously and our pastor found a building just about three minutes drive from the initial location where services were being held.

The church has been holding services in the building for around three years now and remains faithful with the outreach programs, concerts, movie nights, Home Care and New Believer's classes. The church is located in one of the most notorious communities in Suva where crime rates are extremely high and we are believing God to give us this community for Jesus.

My family (wife and four children) are blessed to receive the gift of salvation, receiving Jesus as our saviour through the Grantham Potters House Church in the last two years. We have never regretted living our lives for Jesus. This has changed our lives from living in doubt, family problems and worries to living a life full of hope in Jesus Christ and looking forward to his promises for our lives.

Brother Wendell Archibald got saved into the church not long after us through his wife, Malisa who committed her life to Jesus a week earlier as a result of personal evangelism from her cousin, a disciple in the church. From brother Wendell's personal testimony, I could witness God restore his family, turn his life around from his old life to a new life with Jesus Christ.

Church attendance has grown from around 30 people to 60 people and slightly higher during revival services

and movie nights. In the last 12 months we have been praying for families from the community that we are now located in to be saved. We have since witnessed the power of God in saving two families from this community into our church and are believing God for more. Many souls continue to be saved through our outreach programs, particularly through one-on-one evangelism.

In the last 12 months God has moved in our church in raising financial pillars and the church has assisted financially in sending our pastor to do revivals in Western Samoa, American Samoa, India and most recently Vanuatu, accompanied by an impact team.

God is good and we are blessed that he is using our pastor and our church, a pioneer church, to reach out to the lost souls in these last days. Saints, do not ever doubt the size of your church or ministry to impact the world for God as he is only looking for a willing heart.

Footscray, Victoria, Australia
Potter's House
Pastor Darryl Elliott
Corres: Geoff Stowers

Greetings from Melbourne Australia.

In early September the Footscray Church celebrated its 35th year with a special Saturday night Anniversary dinner at the church building. It was fitting that Pastor Wayman Mitchell was there as a special guest as he was able to see a small snapshot of what God has done since he planted a couple here

in 1984. We also had pastors from our baby churches in Mozambique, India and New Zealand in attendance, a total of over 355 people.

That was followed by our September Conference which began on Monday night with guest speakers Pastor Mitchell and Pastor Payne. At the conclusion Friday night we saw couples from our baby churches in Mozambique and India being launched into new pioneer works.

The Footscray church also planted a couple to pioneer a new work in the city of Melton and a couple from the Burnside Church take over the work in the Taylors Lakes area.

During the conference some of the disciples (stirred by the Holy Ghost preaching) went witnessing on Wednesday and Thursday in the local areas. They saw a total of 63 people saved.

Very recently an impact team led by Pastor Elliott went for our churches in Auckland, New Zealand. During that time they saw 107 souls saved as well as miracle healings in the revival meetings and on the streets.

It was also the 6th Anniversary of the Onehunga Church where Pastor Dan and Bec Stephan are. In that time they have seen the church grow to over 100, mainly of Pacific Islander origin, many of whom are around 20-25 years old and on fire for the Gospel.

It's great to see the saints in the Footscray Church following up new converts who are being established in the faith, growing in God and telling their friends about Jesus Christ.

One young man in particular just newly saved, went to a family function on the other side of town on a Friday night after work. But this time, instead of staying and drinking he shocked his family by saying he was leaving so he could get ready for church. He caught public transport home which took about two hours, was in church on Saturday with our concert scene, in new converts class, both Sunday services as well as the Wednesday evening Service.

Our fortnightly Friday Home Bible Studies, Concert Scene, Saturday street outreaches (which see people saved regularly) and normal church services

Footscray 35th Anniversary
Celebration with Pastor Wayman
Mitchell in center

continue not just to maintain, but gain momentum as we head toward the warmer months where we will move events outdoors.

Once again we would like to thank Pastor Mitchell, our leaders and all of our fellowship churches as we join together in the great commission to see souls saved in these last days.

Please continue to pray for the Footscray Church as we pray for you.

**Groningen, The Netherlands
Potter's House
Pastor Peter Majoor**

Greetings from Groningen, The Netherlands! God is doing a powerful thing in our church!

We just planted a new church in Veendam, a city about 25 minutes from Groningen (Josua and Tirsa Sillé).

Recently some people of the church met a girl on the sidewalk who just had been hit by a car. She was lightly injured. They helped her, brought her home and witnessed to her. She got saved and hasn't left church since. Her sister also got saved and locked into the church.

Several times on a row we witnessed to people who just had been crying out to God for answers and now they're serving God in our church.

We baptized 11 people within two months and in a few weeks we'll baptize at least five people.

We're seeing a momentum in our church already for five months and constantly people are getting saved and added to the kingdom of God. Every outreach and every church service is a great joy!

Prayer for Josua and Tirsa Sille,
launched into Veendam

**Guangzhou, China
Potter's House
Pastor Patrick Johnson**

Hello. My name is Patrick Johnson. With my wife Felicia, and daughter London, we were sent out at the 2015 Chandler Bible Conference into Foshan, Guangzhou, China.

From the moment we were announced we have seen God do many tangible and dramatic miracles for us. Especially in the area of answered prayer. For examples, I was told that

sometimes finding a good translator can be very difficult in China.

I immediately begin to pray after being launched out that God would bring us a young man who could be our translator who already knew

Christ and our Fellowship.

After being here only a few weeks I received a phone call from another pastor saying there was a young man who had been in his church as a teenager but had left church because of college. Now he was wanting to come back to Christ and live for God. His college just happened to be in the same city where we were pioneering.

I contacted this young man named Gin. He came back to church, rededicated his life to Christ, and became my translator. He was instrumental in helping us find a building, starting our English corner, our Bible study and starting the church. And today God has given us three great faithful young disciples who love God and are great translators.

Another example of answered prayer was that when we first got to China I began to be assaulted by a spirit of fear that I had never before experienced. So I begin to pray and ask God for a police officer as a friend, believing that this would help me to defeat and overcome this demonic spirit. A few weeks after pray-

Guangzhou, China saints

ing for this I went to the police station to register, as all foreigners with a tourist visa must do every 60 days, I met a young police officer, whose first question to me was, are you a believer, and do you read the Bible?

To be asked this question in a police station in China as you can understand was in itself very troubling, but I answered yes to both questions. His next question was, can you please teach me the Bible? I want to learn.

This young man named Charles became not only my close friend and brother in Christ, he was in our very first church service. He helped me and my family through many difficult situations with our visa and having to register at the police station.

We have also experienced powerful healing miracles since we've been here. One lady named Jasmine, who is our very first convert in our church here, went to the hospital and was told that she needed surgery. We prayed for her and believed God for a miracle. The doctors re-examined her before the surgery and told her they could not find a problem with her body, that she no longer needed surgery and sent her home without doing anything at all to her. This was such a powerful miracle for our church. It gave us great momentum and we saw new converts get added to the church because of this great miracle.

We have really experienced a mighty and miraculous hand of God since we've been in China. God really is building his church through miracle converts and answered

prayers. Please continue to pray for China as a great revival is on its way for this awesome nation.

Hurstville, NSW Australia
Potter's House
Pastor Darren Munzone
Corres: Tash Sciacca

G'Day from Hurstville, Sydney, Australia!

This season we have been seeing many miracles and a move of God like we haven't seen before.

For many years we have contended for the young men and women that have generally roamed the streets of Hurstville, causing mischief in the mall area.

We have begun to see breakthrough in this area and many others, and it can be clearly linked back to our monthly prayer meeting. In these prayer meetings we have contended for specific things that in the natural, would seem impossible. We have contended for men to fill the front rows, for our local high school kids to be genuinely saved and converted and for the young men and women of Hurstville to get saved and for backsliders to come home. All of these things we have contended for in prayer God has moved powerfully and in an unprecedented way.

Recently we had our highest attendance for a Wednesday night service with 20-30 teenagers attending. Our local school kids are getting saved and converted and spreading

the word of God unashamedly in their school and each service we are seeing new faces enter in. It's such an exciting and refreshing time.

Yes its messy, but what a joy it has been to watch lives change and be transformed for Jesus. Another great miracle has been seeing our morning prayer crowd growing by double and triple in size regularly! With a great amount of school kids in our morning prayer. All Glory to God!

Please continue to pray for us as we labour in this great city of Hurstville we so very much appreciate your prayers.

Testimony Sam Siulepa

I had the standard worldly teenager story.
I had struggles growing up that

Sam Siulepa, before and after surrendering to Jesus Christ

lead me to dive deep into drugs, alcohol, immorality and rage. I changed to fit in and earn respect but lost myself in the process. I was

in and out of churches for years between Hillsong, Potters House, C3 and more. I ended up confused about my beliefs, struggled to achieve righteousness, and constantly failed at being a Christian. Answering an altar call hungover from the night before was common.

After years of playing church, I've committed my life to Christ 100 percent.

Unfortunately things didn't get better as I thought they would. I ended up losing my wife, getting kicked out of ministry, losing my job and struggling with suicidal thoughts again, but the blessing was between the lines. Through all that's happened, I am now stable and able to persist through trials, I got a new job, a new family, a new home and I am abundantly blessed financially. God has given me a new heart and the void in my life is filled with Christ.

Moving forward I am actively involved in church as a leader of an outreach team, a regular attendee of all church events, bringing people to Christ on a regular basis. I have been able to use my story to help steer younger Christians away from the path they're on with all glory to God. I represent Christ proudly. He gave me back my life. So my life now belongs to him.

Jakarta, Indonesia
Potter's House
Pastor Zak Triono

I would like to bring a victory report of what God has done in Indonesia.

What a great close to 2019 with a Pastor Paul Graham revival that we had last week. We kicked off with a Saturday night concert and the building was filled with many young people. Pastor Graham did an outstanding performance. He rocked the place and everyone en-

Pastor Paul Graham prays for healing during Indonesia revival

joyed the night. We saw two young precious souls give their lives to Jesus.

The following Sunday, we received dynamic messages of the Gospel in both services. Once again the altar was filled with many people. God's miracle working power was evident during the revival.

A young lady from a Buddhist background was set free from her depression. God healed a lady with pain on her right shoulder. People were prayed for to receive the Holy Spirit and were filled.

We had visitors come every night to the revival. On Monday night seven young people who study in the Bible College responded to the altar call and accepted Christ. The hope of God reached a couple who were drug addicts in the past and to wives with abusive husbands. Every service had on point words of knowledge imparted to encourage. God met everyone's needs and the church truly had revival.

On the last night of the revival Pastor Graham challenged the young men to step out and be will-

ing to take up the mantle as Elisha did from Elijah. Praise God! Nine young men stepped forward. We had a total of 17 decisions for Christ at the conclusion of our revival.

I would like to thank Pastor Graham for his investment and willingness to minister in Indonesia! The harvest is plentiful, we need many workers who are willing to invest the treasure of heaven into a third world nation. Would you be one of them?

Kitwe, Zambia, Africa
Potter's House
Pastor Moffat Shawa

Greetings from the Chimwemwe church where soldiers of Christ are on the move for the kingdom of God.

We are enjoying a fruitful labor in our Outreach Support Program for our baby churches. We had a powerful street and door to door outreach in Ndeke township for Pastor Chanda in which we saw many souls come to Christ. While Pastor Shawa was preaching from

New church building in Chamboli, Zambia

our church van two ladies walked up to him seeking to be prayed for because they were sick. After prayer they immediately received their healing!

Days after this was a powerful and long waited for week for the Chamboli church who, last conference, received a new pastor from Mongu. October 6 was the grand

opening of the newly beautifully built church building. The day before was a powerful concert which saw 37 souls respond to the call of salvation.

Two weeks later we did a two-day crusade for the Riverside branch, which started on October 18, which is the National Day of Prayer and Fasting in our country. Many got saved and received instant healing!

We closed up the month with a powerful concert at our home church on October 26. We thank God for He is doing.

Continue praying for us as we pray for you.

Kochi, India
Potter's House
Pastor Jeremiah Wacker

Greetings from God's Own Country!

We have just completed one year in the city of Kochi. Kochi has a metropolitan population of 2.1 million and is known as the place where the Apostle Thomas came to preach the Gospel.

We landed in Kochi and within a couple months we were doing a Sunday service, Friday Bible study and a LifeSkill and English class. We began working with a core of people and finding ways to evangelize.

In February we opened our building and have been given favor ministering and outreaching. We have had tremendous revivals with Jason Sanchez from California, Pastor Cory from Weslaco, Pastor Arun, Pastor Ehlers and Pastor Jeevan.

We also have hosted three impact teams from Chennai, Hyderabad and Kammanahalli. We had total liberty to see the Indian Disciples do outdoor ministry and street preaching. These teams have prayed with almost 100 souls to be saved.

We have been able to take men to Bangalore for Pioneer rally, Mens Discipleship and a group of nine of us were able to attend the Men's Rally in Malaysia in August with Pastor Rubi.

The Kochi congregation sent four

Street outreach in Kochi, India

teens to the first ever Indian Bootcamp and our teens brought home best male and best female boot awards. We were excited to have Pastor Perez for one service on his way to be our Senior DI at our inaugural Bootcamp.

We have seen many visitors and many saved through our Concerts, Movie Outreaches, Game Nights, LifeSkills, English and Free Music classes.

One other highlight was seeing our first baptism with a young disciple who has taken some very intense stands to continue in the church. He is powering on for God and wants to preach the Gospel.

We just finished a two day revival with Pastor Packia Raj who brought clear Gospel message with a leadership anointing that was able make a powerful impartation.

Pray for us as we continue to seek God's wisdom and protection while we contend for Revival and Dominion in this land.

Libala, Lusaka, Zambia
Potter's House
Pastor George Karabassis
Corres: Brian Samuhela

Greetings from Lusaka, Zambia!

Our 2019 Central African Bible Conference brought nationalization of the leadership church in Central Africa. Pastor George Karabasis, who is being assisted by Pastor Si-

mon Kakumbi, took over from Pastor Jeff Day who is now doing God's work in Albuquerque, New Mexico.

In October, Pastor George Karabassis is led a team to the southern Province

of Zambia dubbed "The Southern Campaign" which touched different towns. The campaign saw 323 people being transformed from a life of sin to being gloriously born again!

One eventful scenario that occurred was that of a bedridden wom-

Street preaching in Libala, Kitwe, Zambia

an who was brought to the crusade on a wheelbarrow. She was prayed for and got miraculously healed from cervical cancer! Immediately she regained her strength and started walking! Many people testified of God's goodness as they got healed and delivered from the chains of oppression.

We have converts who are being baptized every last Sunday of the month as a result of various church evangelistic programs such as Club 180, Play Park Monday Movies and Saturday outreach and follow-up programs.

In the first week of December, we are expecting God's outpouring as we host Pastor Patrick Nyamai from Kenya for a Men's Rally and revival.

We thank Pastors Wayman and Greg Mitchell for their leadership and direction, and also Pastor Jeff Day and his wife Maureen who labored in this part of Africa for more than a decade. Compliments of the season!

Subang Jaya, Malaysia
Lighthouse Fellowship
Pastor Gregory Sinnappan
Corres: Sivanesan Sanmugun

God has been moving phenomenally in the city of Subang Jaya, Malaysia.

Last year (2018) marked the beginning of a new chapter for the church as we moved into a new facility that was located on the ground floor. Our Christmas Dinner yielded the highest number of visitors ever with nearly 100 visitors making it out and eight decisions made for Jesus Christ.

This year we were also blessed to have Pastor Larry Vass, Pastor Packia Raj, and Pastor Alex Ambrose preach outstanding revivals for us. Again we witnessed God's grace and mercy upon the church as souls began to make decisions for Christ and healings took place. Most notable was a man suffering from brain shrinkage, bound in a wheelchair. He was healed when God touched his legs, and he was able to walk freely!

This year God opened a door in a nearby cancer center, where every week a team goes in to pray for cancer patients, and share the good news of Jesus Christ. We've seen five salvations so far this year and we're believing God for much more to come!

God has been faithful and answered our prayers to be able to go into schools and minister the word of God every Friday. So far this year there have been 30 salvations for Christ. God also opened a door for Pastor Gregory to preach in this year's Subang Jaya Youth Rally. Pastor Gregory ministered to a group of 75 students in one of their workshops, and in the end made a call to receive Jesus into their lives, and over 40 souls responded!

Many in our church witnessed a great move of God this year when one of the brothers in the church suffered a severe stroke in March

which left him unable to speak and partially paralysed in his hands. God by His grace and mercy healed him miraculously when hands were laid upon him and prayed for in the name of Jesus. By the next morning his speech was completely restored!

We're believing God for a mighty year in 2020. We thank God for his divine mercy upon our church, Pastor Allan Asir our leadership pastor in Malaysia, the Kelana Jaya congregation and also Pastor Joe Campbell of the Chandler congregation for their continuous investment and casting their vision upon our fellowship, and for all of your prayers.

We humbly ask that everyone will continue to pray and lift up the Subang Jaya church as we continue praying for you!

Medavakkam, Chennai, India
Potter's House
Pastor Stephen Sundar Raj

Greetings to all of our Fellowship.

We started out in the month of April with a powerful Revival with Pastor Scott Sharrock. Through God's

mother church in Taramani, Chennai. Many of the converts from this event are still coming today!

We also had a great revival with Pastor Ravi Kumar in which we had around 80 in attendance with the majority new visitors and 33 saved. Six people received words of encouragement.

A young man with high heart palpitation and a young girl with breathing problems got instantly healed. God did great and mighty works in this revival!

We have been praying for a breakthrough in our city and God is continually helping us and has provided key people for our church which encourages us more.

We prayed for a small girl with throat cancer who was a family member of a new convert. After one week doctors said it is not cancer it is only a swelling in the throat which is curable with simple treatments. We thank God for his supernatural works in this city.

We also had a powerful revival meeting with Pastor Jeevan in which we had around 50 in attendance with four saved. A young girl was filled with the Holy Spirit, spoke in tongues and a girl with leg pain for six months found improvement and was able to walk well. Words of encouragement were received by many believers and

Chennai revival with Pastor Ravi Kumar

tremendous healing power, we saw lots of healings and timely words of knowledge.

A woman with a swelling hand got completely healed and an old lady with back pain was relieved from the pain. We had many new converts locked into the church through the music concerts conducted by our

the sermons stirred up everyone in the church.

We want to thank our Mother Church Taramani, Chennai and our Pastor David Ehlers and his wife Linda for investing on us and helping the church to be established.

Thank you Pastor Mitchell for your vision!

Ikeja, Lagos, Nigeria
Potter's House
Pastor Glen Botu
Corres: Chinedu Obikwelu

Greetings from Ikeja, Lagos! We are excited to share with you all that the Lord has been doing here in our church and city. We started 2019 with a 21-day fast which opened up the door for great things during the year.

Church congregation in Lagos, Nigeria

We set out to have three core achievements: to plant more churches outside of Lagos, to renovate our church facility and to host a successful conference. I am glad to tell you that all three plans were fulfilled successfully.

During the year we had a series of meetings with Pastor Nigel Brown, Pastor Frank Schwerer, Pastor Bitwell HangAndu, Pastor Peter Ajala and some of our baby church pastors. Each of these meetings added spiritual things into our church.

On the final night of Pastor Brown's revival, a young man who had been involved in gang-related violence was delivered and set free. Many others were ministered to in real and helpful ways with souls being saved also. Recently we had nine people water baptised and many others filled with the Holy Ghost.

Our pastor was also busy as he travelled to Zambia, Ghana, Uganda and Tanzania to hold pastor's seminars.

In April we held our annual Bible Conference with Pastor Rob Walsh and Pastor Desmond Croasdale as

the speakers. Five additional churches were planted into cities in Nigeria.

In May, Pastor Brown brought an impact team of pastors to Nigeria and they preached around the local churches. We also took over the care and leadership of the church in Santa Maria, Ghana pastored by Michael and Rachel Okine.

We send regular monthly impact teams to churches around us. We also sent an impact team to help strengthen the churches in Ghana. Our concert scene has been very fruitful with

many young and new converts eager to do something for God.

Our weekly street outreach has produced many street preachers and also sinners responding to the call of sal-

man Mitchell for the vision.

Keep us as a church and a nation in thoughts and prayers, as we do the same to you.

Nogales, Sonora, Mexico
Potter's House
Pastor Jose Luis Gaxiola
Corres: Gilberto Jiminez

Greetings from Nogales, Sonora, Mexico.

God has been moving in a special way in 2019 in our wonderful city of Nogales.

In April we celebrated our spring conference and closed in incredible fashion. Four new works were announced, two national and the other two international into Belize and Colombia.

In May we held our annual Healing Crusade with Pastor Jonathan Heimberg. Churches from California, Arizona, New Mexico and Texas came down to Nogales for a power-

Jonathan Heimberg ready to preach during Nogales Crusade

ful move of God. We have seen a stream of visitors attend our services with some staying.

Our newly renovated church auditorium allows for an additional 80 seats. We are grateful to all those who made these things happen. The Gospel works! We are contending for the supernatural move of God.

We appreciate the leadership of our Fellowship, our mother church in Waltham Forest and Pastor Brown for his continual support, Pastor Greg Mitchell for his leadership and Fellowship direction and Pastor Way-

ful move of God. We saw hundreds of visitors, dozens of healings, and a total of 229 decisions for Christ. God has given us incredible dominion in our city through the crusade.

In our fall conference in October, God moved through the preaching of our leaders, Pastor Fred Rubi and Pastor Wayman Mitchell and others. We rejoiced as new churches for our nation were announced including one international work to the nation of Nicaragua.

Mexico continues to follow in the footsteps of our fellowship in having

a vision for the nations.

In October we held our annual Haunted House seeing record impact. More than 1,400 visitors and more than 500 people giving their life to Christ.

We will continue to do God's work in our wonderful nation of Mexico and we ask you to please pray for us as we are praying for you!

**Port Moresby, Papau,
New Guinea
Potter's House
Pastor Perry Noah**

Greetings from the Potters House Church in Papua New Guinea.

In August we had our 32nd Annual Bible Conference, titled "For Such a

For us as Papua New Guinean, it is a privilege and an honour to have met him. We may not go to America to meet him but God brought him to us. His preaching is powerful, exploding into the hearts of believers with a fresh and a deeper understanding of the wisdom and revelation of God's will and purpose for our lives as an individual and as a corporate body of believers.

We were all encouraged and stirred as a Fellowship to do more in advancing the kingdom of God in these last days. Because the clock is ticking and it is still ticking.

The main highlight of this conference was the Thursday night service. We announced our first international work into Jayapura, Indonesia. On Friday night, two new couples were launched into ministry along with other changes. We now have a total of 17 churches in our nation.

In the month of September we had our combined fellowship concert at one of our local churches (East

Boroko) in the city to commemorate our nation's 44th Independence celebration. We had all our city churches come out and put on the Gospel concert. It was a success as we had testimonies and a drama was played. It was a wonderful night. We saw four people give their lives to Jesus Christ.

We have been faithfully going out to our local communities and in different areas in the city to do outreaches like we always have and we are seeing people open to the Gospel and responding. Even the drunkards are very respectful.

The new converts are stepping out in faith and with boldness are witnessing for Jesus and sharing their testimonies. God is really doing a wonderful work in the lives of people here. Men are rising up to the chal-

lenges as disciples and are stepping out in leading the outreaches and getting involved. This is not just in the mother church but it is also happening in our local fellowship churches. We are really experiencing a move of God.

One of the main focuses of the mother church right now is about Men's Discipleship and Sermon Making classes. Pastor Perry Noah has been faithfully holding the classes. It is a success as we hear good reports of what God is doing in the lives of the men who are willing to give themselves to be taught and to learn.

We want to take this opportunity to say thank you to the American Fellowship and the Australian Fellowship, especially the Darwin church for your investments over the years. Your investments are not in vain but are bearing much fruit.

Please pray for us as we pray for you.

**Pietermaritzburg,
South Africa
Potter's House
Pastor Mark Green**

We greet you from the sunny city of Pietermaritzburg, South Africa.

A couple came into the church earlier this year. The guy was a back-slidden former disciple from just after Pastor Jack Miller left for Botswana. He rededicated his life to Jesus, stopped all lobola (bride price) negotiations he was involved in and got married to the lady he was living with.

God responded to this man and blessed him with a good job and two months later he got a 100 percent increase in his salary.

Another couple had a baby girl. On the day the baby was born, the mother called my wife in tears while we were at Bible Study, saying that one of the baby's legs was deformed. We prayed as a church collectively right then. My wife and I went to the hospital afterwards and prayed for the baby again. After we prayed,

time as this." It was a wonderful time of conference, as we had pastors with their delegates travelling in from different parts of the country to attend the conference. And to have pastors chip in to meet the needs of the conference is just incredible.

The total number of people attending the conference was just staggering. We had 500 people last year. This year was around 600 people and the last night of the conference we had around 800 people. This shows that God is truly at work in our nation.

We were so very blessed to have our headship Pastor Mark Woods from Darwin, Australia and one of our very own premier pastors, Pastor Scott Lamb from Las Vegas, Nevada, USA as the main speakers for our Bible conference.

Pastor Lamb was just amazing.

the mother looked at the leg and said it was changed. The leg was healed. She was in tears because God healed her baby right there in the hospital and today there is nothing wrong with little Mesuli's leg.

The very same month, a miracle offering was received totalling R25000. That could only be God coming through when the church needed it most. It supported our plan to send out a couple we announced a few years back to pioneer in Northdale once again.

The pioneer church has been out since August 11, with great reports from 11 people the first service to 35 by the second month, with a total of 31 saved and two filled with the Holy Spirit. There have been many healed with two notable miracles where people who had difficulty walking were healed and able to walk on their own!

We had a water baptism in October with 13 baptized - nine from the church plant and four from the Pietermaritzburg church.

The church in Imbali under Pastor Godfrey and Sbongile Msomi is beginning to see couples get saved and stay in church. God has been on the move whilst the devil has failed in trying to stop what is happening. People are getting good jobs, promotions and increases without even requesting it except through prayer and believing God for breakthrough. Marriages are being restored in front of our eyes, and people are getting saved on outreach.

God has been faithful and gracious after the Southern African Conference in September. We have seen visitors, radical converts and old people coming back to church and paying their tithe from the first Sunday back in.

A woman by the name of Sanele Thwala and her daughter Peaches, was saved on an outreach in a suburb close to the church. She was convicted when a different church was street preaching in the area but she didn't respond then. We went into the area in the afternoon not knowing that the other church had been there that morning. Their preaching had challenged her heart and when a couple

from the Potters House knocked on her door, she said this has to be Jesus trying to reach her.

She repented right there and gave her heart to Jesus. She hadn't been in any church for almost six years but was in church the next morning and answered the altar call. The following week she brought her mum and brother and the brother Mkhandisa repented and accepted Jesus for the first time in his life. He is excited. Outreach works!

We can't wait to see what else God is going to do. Heartfelt appreciation is extended from all of us to Pastor Wayman, Pastor Greg and Sister Lisa and Pastors Banet and Sister Kathy as well as Pastor Jack and Sister Jan Miller in Palmdale for trusting us with the will of God for the church in Pietermaritzburg.

Thank you to the Fellowship that prays for us. We will continue to pray for you all!

Testimony Rehen Singh & Tanya Winnaar

We came into church in September 2019.

Our lives were a mess. We were bound in immorality, anger and financial turmoil. I was bound in drugs for 29 years and had lived a gangster life for much of my adult life. People feared me and I revelled in that reputation but the consequences caught up with me and destroyed my family.

I had lost any real contact with my two children. I was abusive toward my partner Tanya because of my drug habit. One morning late in September we decided to go to a church. We saw the address for the Potter's House Pietermaritzburg on a google site and went in there that Sunday morning. God did a miracle and got hold of our hearts and we repented and asked Jesus to save us.

Since then we have been water baptised. On the morning of the baptism I threw away all my drugs and drug paraphernalia. Tanya and I have decided that we are going to live right and have stopped all sexual activity and have committed to waiting

for marriage which will be very soon.

Tanya got a miracle job offer and was appointed in a position she had no qualifications for. The interviewer said that as a Christian he felt that God wanted Tanya to have the job. She started there this October. I know that God is going to continue to do miracles in our lives.

We thank Jesus for the Potters House and the challenge there to live right for God.

Plettenberg Bay, South Africa Potter's House Pastor Andrew Isaacs

Greetings from Plettenberg Bay, South Africa.

God has moved in many ways, and given us favor in our city. On November 9, 2019 we had our outreach and hit the streets in our area. We came across a few young men, about 16 in total. They were just sitting there listening to music. I started to minister to them and after 30 minutes, I made an altar call and 12 out of the 16 responded to the invitation. They prayed the sinners prayer and gave their lives to Jesus. Glory to God. Pray for us, as we pray for you.

Salisbury, Queensland, Australia Potter's House Pastor George Ouma Corres: Janelsa Ouma

This year has been spectacular for our church and to sum it up in one word - revival!

We kickstarted 2019 with Evangelist Ben Reddy who brought amazing words of knowledge to seasoned saints and the church as a whole, which prepared us for the next big move (quite literally) of God.

Mid-year we were privileged enough to move into a brand new building, where we've seen numerous new faces fill up the chairs every Sunday, older saints seeing God move in their careers and re-commitments to Christ like never before.

Our new building is right on the

corner of one of Brisbane's main industrial roads with more than 200,000 cars passing our sign every day. Although still in the renovation stage, we know this is where God has called us to be within our city by the number of new faces and supernatural breakthroughs we've been having.

One of our pillar couples recently took a leap of faith to start their own barbershop business and the way God has just continually provided for them is absolutely remarkable. Their clientele includes some of the best rugby players in the country.

Recently, a lady who started coming to our church in 2012 left for several years. She suffered memory loss after a series of traumatic events, and couldn't remember much but she remembered God. We reached out to her on a chance and she came back with her three children and is learning to love the Lord again.

We know God is doing something mighty and grand in our city and we're getting ready for it by leaning into his promises and believing God has amazing things in store for us. It is a true honour to serve God and lift up the name of Jesus in such a critical time as this but we'll do so regardless and with passion.

A big thank you to our mother church and Pastor Paul Graham in Willetton as well as the Australian fellowship led by Pastor Tom Payne.

God bless you all!

Honiara, Solomon Islands
Potter's House
Pastor Adrian Martinez
Corres: Michael Rohoia

Greetings from the Hapi Isles of the Solomon's Islands! God is moving in our nation!

In the month of August we came back from our annual South Pacific Bible Conference held in Fiji Islands. The saints were refreshed and stirred to do something for Jesus.

We then went into revival services with Pastor Grant Huggins from Australia. During this revival we saw many visitors each night with people

genuinely responding to the altar calls, getting saved, and getting healed.

One of the highlights of this revival was an open door outreach at Mbokona school in

Honiara where 700-plus prayed for salvation. The school requested the church to do another outreach in the future. Pastor Grant was able to do a Men's Discipleship Class and all the men in the church were challenged and encouraged.

In the month of October, we did our annual Haunted House production for two nights, and 368 people responded for salvation. This was our largest production so far where crowds of people lined up outside doors to watch the production. The spirit of God was moving throughout the nights of the production, bringing conviction to many people who came to watch. They could personally relate to the scenes displayed and their need to repent and turn to Jesus for salvation. We saw several people break down in tears after going through all the scenes as they felt the conviction of God on their lives.

After the Haunted House production, we headed straight into another revival with Evangelist Ray Felan from San Antonio Texas, USA. Praise God!

Evangelist Felan brought us a word in season and the saints received words of knowledge and encouragements during each night of revival. The church was also stirred up by his style of preaching. We continued to see people getting saved, healed and filled with the Holy Spirit. Evangelist Felan also was able to do a Marriage Seminar with 20-plus in attendance. Many marriages were encouraged.

Our regular monthly schedules are

700-plus schoolchildren gave their lives to Jesus

getting more and more exciting as we continue to see that people are open to the Gospel and the saints are going all in for Jesus Christ. New converts are coming into the church and locking in. Backsliders are also coming back.

We want to say thank you so much for sending us missionaries and we are grateful for our Pastor Adrian and Sis Emily. Praise God for their tremendous labour for us and we love to have them with us always. We are expecting great things from God for our Islands! Please pray us as we always pray for you.

Kingdom of Tonga
Victory Chapel
Pastor Aki Nick

Malo e lelei & Greetings from the church in the Kingdom of Tonga.

It's a great joy and a wonderful privilege to labor in Polynesia for the kingdom of God. We give God all the praise for His grace and faithfulness.

God is moving in our church. We're seeing a flow of visitors, and growth in the process. Disciples and couples are rising up and catching the vision of our fellowship.

Disciples are taking the lead in the different ministries that we have in our congregation. They are being challenged and stirred to take the Gospel to the Streets, different parts and remote villages in our Island.

Outdoor outreaches in various forms "The 180 production" with live

music and drama, and “Mini Miracle Healing Crusade” have always been a success. Our recent One80 outreach saw a hundred plus people show up in one village. Twenty-seven precious souls gave their lives to Jesus Christ! Also a number of people were healed that night.

God is moving among the youth in the local high schools. It’s a fruitful ministry, averaging about 60-70 young people jam packed in a classroom every Friday morning, seeing 20-50 souls saved each visit.

God has proven Himself faithful to answer the prayers of His saints. We’re seeing a number of visitors every service, and we’re encouraged to see some of them respond to get saved, and continue to come back to church.

We’ve also received phone calls from overseas in Australia and New Zealand from a number of people in need of prayer, who heard from friends and family members that we pray for the sick!

As a result, a family of a 12-year-old little girl who was diagnosed with Lupus called us. The disease affected one side of her body with excruciating pain, and she was unable to open her right hand. Over the phone we were able to lead the whole family of five in a sinner’s prayer and for healing.

After prayer Jesus had touched this little girl! She was instantly healed! A few days later after seeing her doctor, she was told that she was declared healed! Glory to God!

In our recent Guam Bible Conference, we were happy to announce our first Tongan couple going to pioneer a brand new work into the outer Island of Tonga “Vava’u. Talai and Vika Malavu.”

Our recent revival with Evangelist Steve Zapata was a great success. We saw 40 first time visitors, 26 saved and 14 filled with the Holy Ghost! And God confirmed His word with miracles signs and wonders.

Some notable healings:

A first time visitor by the name of Katherine Aniseko came with a tumor on her breast for six years. After prayer she was instantly healed!

Another lady who was partially blind for years was instantly healed!

A man unable to hear on the left ear was also healed!

We are thankful to God for our mother church in Yigo Guam for your love, prayers and support. Thank you Pastor Cluck and Sister Donna for believing in and praying for us. God bless!

Ho Chi Minh City, Vietnam
Potter’s House
Pastor Duy Dao
Corres: Remil Cordero

Greetings from Ho Chi Minh City, Vietnam. We’re excited about what God is doing in Vietnam!

This year 2019 is a fruitful year! English clubs are still useful to reach out many young people and through this we are able to find people who are open to the Gospel.

Last March, we had a revival with Pastor John Ramos from the Philippines. Ten people got saved, with 49 the highest attendance. One night of the meetings, he preached about prayer and the next day more than half of the church people responded to pray in the morning. Since then more people are coming to church for morning prayers.

He also challenged couples to preach the Gospel and four couples responded. After that revival, two of these couples started an English club in their own apartments. Until now, these English clubs continue and are fruitful.

In April, we had Pastor Scott Mcgrath with his team from New Zealand do revival meetings for us. We had a great time in the Holy Ghost every night. Words were given to the saints, people were healed,

many visitors came and got saved.

One of the highlights this year was on May 2019 Mandaluyong Conference in the Philippines. The church in District 3 Ho Chi Minh City, Vietnam was nationalized. It is a privilege for our family to pioneer a work and to see what God has done.

Pastor Kenneth Mata and his family also started a work in District 7. God saved souls, raised up disciples and couples, and built His church.

Then last September we had our transition service, it’s exciting to see that there were couples who are willing to continue the work and stand for their nation.

Brother Duy Dao and Sister Van took over the church. They were

Ho Chi Min church nationalized

formerly Buddhists, ancestral worshipers and atheists that came to our church just for English but they found Jesus instead! They got saved, disciplined and are now serving God!

In the month of June, we were again privileged to attend our Guam Conference and for the first time we had two Vietnamese couples go with us. During that conference one of these couples, Brother Khanh and Sister Phuong, responded and were announced to pioneer a work in Binh Thanh District.

In the month of August, we had powerful revival meetings with Evangelist Steve Zapata. We had 26 visitors, 15 saved, nine baptized in Holy Ghost, and our highest attendance was 58. In this revival, there was a woman who was delivered from demon possession. She manifested right after the altar call. She

was screaming and getting wild but after prayer, renouncing involvement in idolatry and ancestral worship, she was delivered and returned to her senses. Praise God!

Recently, this month of October, Pastor Alberto Desepida came for revival meetings. He was able to minister not only in our church but also to our baby church in Binh Thanh District. There were 23 saved, six healed instantly, and highest attendance was 55. The church is encouraged! We are so blessed to have Pastor Desepida.

We are believing God for greater things in Vietnam!

We appreciate Pastor Cluck and Guam church, Pastor Desepida and Mandaluyong Church for the vision and support in prayers and finances. We thank Pastor Mitchell and Pastor Greg and the Prescott church for the exampleshyp through the years.

We give God all the glory!

Waltham Forest, UK
Potter's House
Pastor Nigel Brown
Corres: Russell Sealey

Looking back on 2019, God has done a miraculous work here in Waltham Forest.

We have had a year filled with revivals, dramas and concerts. In our revivals, members of our congregation have seen real breakthrough in health, finances and in believing for unsaved family members.

In October, we had our Annual Bible Conference themed "The Gift of a Man." This conference was led by Pastor Wayman Mitchell and Pastor John Perry.

We launched a new work into Sav la Mar, Jamaica. During the week, we celebrated Pastor Mitchell's 90th birthday. All the pastors at the conference, around 200 people, filled the stage to show their appreciation for Pastor Mitchell. Some pastors and their wives stepped forward, giving powerful testimonies of what God has done in their lives. They also personally thanked Pastor Mitchell for his vision and steadfastness over the years.

Pastoring couples thank Pastor Mitchell for his investment in their lives during his 90th birthday celebration in Waltham Forest, UK

This year our youth did two feature length plays, the most recent being the Halloween drama, "Hell to Pay." The youth worked incredibly hard and saw fruits of their labours. Five people gave their lives to Christ that night and some have returned to church since.

For some, this was their first time stepping out in ministry. This was very encouraging for the youth and brought about an excitement for the things of God. We are believing for our youth to step out into new and better things in God in 2020.

Thank you for your prayers.

White River, West Honiara,
Solomon Islands
Potter's House
Pastor Simon Uesikoke

Greetings from the Potters House Church White River, Honiara in the Happy Isles. We are glad to report what God is doing in this suburb.

My wife Doris and I with three children took over the church in White River suburb pioneered by Pastor Ben and Janet Nginabule following the South Pacific Bible Conference in August 2019. We supported the former pastor on Saturday September 7 in a combined one to one outreach as part of the transition which resulted in 27 decisions. On September 10, 2019 we held a tran-

sition service to effect changes. The morning service saw 38 in attendance while in the evening we have 53 in attendance as saints turned up to farewell their former pastor with fellowship after the service.

During the months of September and October we continued preaching the Gospel three times a week, conducted weekly Saturday afternoon one-on-one outreaches, movie outreaches, follow-up visits and once monthly visits to the city's referral hospital to pray for the sick.

We have seen patients and caretakers getting saved with 18 healings, with some instant healings as can be seen from beaming faces and tear filled eyes as they lay on their sick bed being delivered from pain. Thank God we serve a God that still heals.

Our movie outreaches are supported by the mother church with the first held on September 30 and despite the rain, we had a packed out building with over 50 attending and one previous soul saved.

We were privileged to host the mother church for an outdoor Wednesday mid-week service on October 23 as their building was all set up for the annual Haunted House presentation. During the service we had 135 attending including some first time visitors with five visitors saved and one prayed for healing.

Over the first two months we have

Evangelist Ray Felan ministers to the sick in Honiara, Solomon Islands revivals

seen attendance averaging 22 – 25 each service with backsliders returning and saints rising to the challenge to involve in outreaches.

We had our first revival for the year with Evangelist Ray Felan from the States in November. There were timely and powerful Holy Ghost filled messages and words for the season.

A pre-revival outreach involving street preaching at the local market and one-on-one witnessing with the help of an impact team from the mother church in Honiara saw 69 decisions.

Two of the revival services were conducted outdoor in the settlement's open space which saw an attendance of up to 105 with many more listening from their front porches and from the roadside.

Over the six services we have seen 170 visitors coming through with 59 responding to the love of God, three prayed for baptism of the Holy Ghost, words were given to five people, and four prayed for job/finances.

Apart from preaching, Evangelist Felan also ministered to the sick each service and prayed for 18 people throughout the revival with some

instant healings.

We took five couples to a marriage seminar hosted by the mother church on November 8, where Evangelist Felan again preached a timely message for couples on "Marriage as a powerful force."

We would like to thank Pastor Wayman and the Prescott Church for investing in our congregation by sending Evangelist Felan in a timely season. Thank you also to my Pastor, Adrian Martinez for extending Evangelist Felan's trip to White River, as well as Honiara saints for supporting and attending throughout the revival services.

The congregation is excited and looking forward for continued partnership in preaching the Gospel and reaching souls, believing God for revival and to take White River for Jesus. Thank you Evangelist Ray Felan for having the heart for White River Church.

We thank God for Pastor Ben and Janet Nginabule for the foundation they have labored so hard to establish with God's supernatural moving. We are excited about what God is going to do in this region and suburb of White River in the coming months and years ahead.

Please pray for us as we search for land and a new building and contend for souls. We'll continue to pray for the Fellowship churches across the globe.

Zacatecas, Mexico La Casa Del Alfarero Pastor Arnulfo Teniente

Hello everyone, greetings from Zacatecas Mexico.

We're reporting what God is doing here. My family and I were sent to the city of Sain Alto, Zacatecas, Mexico out of the Tempe 2018 conference.

In June, we had our first baptism, with seven people getting baptized.

Late in August, we had our first wedding, which many people attended. Five people got saved.

This year we had two revivals and two big outreaches. The first revival was from Pastor Ottoniel Rodriguez from Guatemala. The next revival was with Pastor Mario Gonzalez from Mexico City where God spoke to the church and people made good decisions for Jesus Christ.

The church already has a drama team that outreaches and that touches many peoples hearts.

I have been invited to people's funerals in which many people hear the word of God and many people answer the sinner's prayer.

God has been moving in our lives and he encourages us to go ahead and do God's will. God has been changing lives here in Sain Alto, Zacatecas Mexico.

Keep praying for Mexico and God bless all of you.

Baptism in Zacatecas, Mexico

Zwolle, The Netherlands
The Door
Pastor Nomdo Schuitema
Corres: Danny Mispelblom

Alii from Zwolle!
 With Halloween in mind, we organized a Haunted House. The out-of-this-world type frightening event took place in our city center, on two evenings, spread over three building floors.

Everyone, age 16 and up, was welcome. A whopping 400 visitors came, in total. Each group consisted of a dozen people and moved across each of the three floors that housed earth, hell and heaven respectively. "It was really creepy man!" and "this was well put together," were two typical responses from enthusiastic participants.

The altar call was given in a specific room and no fewer than 58 people responded to it. If there's something here to stay, it's Haunted House. We'll make sure that the city of Zwolle will get to experience it again, next year. Thank God for so many visitors and new converts.

In October 2019 we had the pleasure of welcoming pastor Arti Aragon and a big group of warm-hearted and generous Navajo Native Americans from Chinle (Arizona, USA). Pastor Aragon preached a number of highly inspiring sermons and he led a well visited national rally. There were several visitors and four new converts. We enjoyed it as much as the previous times and we all hope Pastor Aragon and the Native Americans had a great time too. We're looking forward to seeing them again soon.

Our local discipleship training classes are going well. We see different young men step out in faith and preach and it's encouraging to see them develop preaching and people skills, as well as grow in their personal relationship with Jesus.

Musically speaking, we're not sitting still either. New bands have formed and they inspire visitors on our regular One80 evenings

Clockwise from top left: Zwolle church hosted Pastor Artie Aragon and Chinle choir; Haunted House was a huge success; and music scenes continue to bear fruit.

to open their hearts to the gospel. Most bands make covers of existing songs, some write their own compositions, both music and lyrics. In our last conference in August 2019, various couples were launched out nationally and internationally. Joel and Annika Houtman were sent out from the Zwolle church to pioneer in the city of Apeldoorn, where we currently have two churches.

God clearly continues to be in motion in the city of Zwolle in The Netherlands!

Nanshan, Shenzhen, China
The Door
Pastor Brent Harris

Greetings from the great city of Shenzhen China.

God is continuing to move and help us in this wonderful nation. It's been a very busy year for us.

We've had the opportunity to host five revivals and had nine different guest preachers come for our small church. We are grateful for all the men who have come for us.

Revival services are our best outreach as it allows our members

to invite their friends and coworkers to hear "an encouraging message by an English speaker." We have seen many visitors come to our revival services.

In July we had a revival meeting with Pastor Andy Anderson from South Africa. He was able to bring his wife with him. During that revival, a mother and daughter were powerfully saved. They have been faithful since.

In September we had a wonderful concert from the Zhongshan, China church. We packed our small room with over 60 people including 10 first time visitors. We had one person saved from that outreach.

In October it was time for us to go back for our furlough for the San Antonio, Texas Bible Conference.

We were blessed to be able to bring eight people with us to the conference. Each person paid their own way!

God continues to help us the city of Shenzhen. We are grateful for the continuous support from my pastor Richard Rubi and the San Antonio congregation.

Continue to pray for us!

Shenzhen, China conference delegates

**Melville, South Africa
Potter's House
Pastor Riaan Botha
Corres: Lebo Tshangela**

God is still advancing his work here in Melville.

We continue to receive new visitors in almost every service, sometimes even double digits. People are still getting saved at the services, in one service about seven people made decisions.

This year we took the 180 concert scene to the streets permanently and we have seen a great response from the community and evidenced by fruitfulness.

In September, we had a revival with Pastor Nomdo Schuitema from Holland. He preached on blessing, sermons titled "Staying in God's presence," and "Strongholds in our lives." A lot of people were healed, namely of shoulder pain, ankle pain and a sore throat.

Pastor Alain Kasonga from Cape Town also preached in Melville the same month.

During the year, Pastor Riaan preached a revival in Paarl where three people got saved and many healed.

Our baby church in Windsor East led by Pastor Sifiso and Makwena is still winning souls for Jesus Christ. Recently they started a Sunday morning Bible study and their first discipleship meeting, to which the men are responding well.

Meanwhile, the baby church in Braamfontein which was taken over

by Pastor Vusi and Mosidi has already seen new people added to the church.

**Berlin, Germany
Potter's House
Pastor Tony Cisneros**

Greetings from Berlin Germany! My family and I are from the Mexico City Church under Pastor Salvador Castaneda.

At the 2017 San Antonio Bible Conference we were announced by Pastor Richard Rubi to pioneer a church in Germany.

We were initially planning to go to Frankfurt but I was not able to apply for the missionary visa. After several months God opened a door for me and I was able to apply for a student visa and study at a University in Berlin.

We arrived to Berlin in May 2018, since our arrival we had been having Bible Studies at our house, but in June 2019, we were able to move to the YMCA in the center of Berlin.

Before our first service at the YMCA we started off with an impact team from Holland with Pastor Johann Nies who helped us pass out flyers and outreach on the streets.

Baptism in Berlin, Germany

At the end of June Pastor Franck Schwerer from Offenbach and Pastor Lionel Mensah from Wiesbaden sent an impact team of 40 people.

We outreached on the streets did a concert in Alexander Platz which is visited by 360,000 people per day and we also had a concert at the YMCA.

After the impact team we started a revival with Pastor Lionel Mensah, during the revival we had five visitors and two saved. One of them is Emmanuel who is a refugee from Ghana which I met on the streets and gave him an invitation to come to the revival.

He used to go to church in his country, but he backslid and promised to God that he would never go back to church. He got involved in alcohol, drugs, and spiritism, he gave his life to Jesus and wants to serve God.

The other person who got saved is a 30-year-old German. His dad was on drugs and died when he jumped out of the window of the seventh floor, his mother is in alcoholic, but he is believing God that she will get saved and delivered.

Before the revival, I met Shinto, a guy from Kochi, India. I gave him a flyer, and he came to church and got saved. He comes from a strong Catholic background and he even has uncles who are priests, but he has experienced the power of the Holy Spirit with the evidence of speaking in tongues.

In July I baptized Emmanuel and Shinto. God is good and is working in their lives.

In August Pastor Fred Rubi sent an impact team of 20 people from London. We did outreach on the streets, in the subway, did a concert in Alexander Platz and also did a play at the YMCA. After the impact team Pastor Aaron James from London preached on Saturday night and Sunday morning. During this time five people gave their lives to Jesus.

I want to thank Pastors Wayman and Greg Mitchell for their vision, as well as Pastor Richard Rubi and Pastor Salvador Castañeda for trusting in us and giving us the opportunity to do a work for God in Berlin.

Please help us pray so that God will give us breakthrough and we can win the city of Berlin for Jesus!
